Lumberman and Wife Donate War Memorial

MERRILL, Wis. — A beautiful but brief in the year. When the cenotaph was presented to this city by Mr. and Mrs. A. H. Stange and was unveiled and dedicated on Sunday, August 19, the monument is located in Soldiers' Memorial Park which was also donated to the city of Merrill by Mr. and Mrs. Stange. The cenotaph is of granite and was designed by one of the leading architects of the United States, circa the American Lumberman.

wounded and dying soldiers, furnishing them aid and comfort which they could not have obtained in any other way. Oscar Hertel was the other representative of war heroes in the unveiling. He served in the World War and fought in many battles, was several times wounded and knows all the hardships of war including what it means to be at death's door on the battlefield. He is a typical representative of the American Legion.

On one of three sides of the monument is inscribed "To Our War Heroes;" another side bears the words: "Their deeds are immortal" and the third side is inscribed "Let Us Forget."
