CAGERS READY FOR INVASION

La Grande's Basketball Team to Leave for Wallowa County Tomorrow at Noon.

The Blue and White cagers, accompanied by Coach L. O. MacTavish, will leave La Grande tomorrow at noon by stage for Wallowa county where they will play three games the latter part of this week with Wallowa, Joseph and Enterprise high schools, respectively on Thursday, Friday and Saturday.

Coach MacTavish today stated that he was expecting to take eight men, probably Captain Peley, Coker, Hummel, Lynch, Garby, Williams, Stager and Metcalf, although definite decision as to the members of the squad to make the trip has not yet been made.

Both the coach and student body and the team regards the branch-line trip as one of the toughest of the season and if La Grande comes back with a clean slate, a sign of which will be forthcoming.

If Back Hurts Flush Kidneys
Drink Plenty of Water and Take Glass of Salts Before Breakfast Occasionally

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's various waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can't readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much, also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful of a glass of water before breakfast each morning for a few days and your kidneys may then act first. This medicine is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

NOTRE DAME SKED TOUGH
Series of Grilling Football Contests Confront Notre Dame Eleven in 1924.

CHICAGO, (AP)—The Notre football team of 1924 faces a schedule that Coach Knute Rockne believes is the toughest gridiron program ever undertaken by any eleven in the country.

In former years Rockne has turned out teams that have run rampant through schedules calling for ten games, including those with the Army, Princeton, Georgia Tech and other leading eleven, but next fall Notre Dame players will undertake a nine game schedule that Rockne believes calls anything ever arranged for the team.

Notre Dame will open the season Oct. 4 by meeting the Lombard eleven of Galesburg, Ill., on Carter Field. This representative of the "Little 12" has lost only one contest in three years, that being to the Notre Dame outfit last fall by

a 14-0 score. On the following Saturday, October 11, the Rockmen face Coach Vaughan's "Little Giants" from Wabash college. Vaughan, an old Notre Dame and Princeton athlete, will bring his men for this one test with the hope of defeating his old school. It will be the first meeting between the two teams since 1918.

October 18 is the date for the annual struggle with the Army, one of the most important annual intercollegiate struggles of the season. Since 1912, when Coach Rockne and Gus Duran started the east and the Army by a brilliant aerial victory over the Cadets, the contest has attracted nationwide attention. Notre Dame defeated the Pointers last season by a 13-0 count, but next season it will be a different proposition. Most of last season's squad will be back next year and it is rumored that a number of eastern gridiron stars will enter the academy next fall. The Cadets will be met on the Polo Grounds.

After returning from New York, the Notre Dame squad will train for two days and then depart for Princeton, N. J., where they will meet the Princeton Tigers on the afternoon of October 25. Coach Knute Rockne will have an experienced outfit to face the team that has so decisively defeated the Tigers last fall.

The annual homecoming at Notre Dame will be featured by the appearance of the Georgia Tech eleven on Carter Field November 3. The "Golden Tornado" from Atlanta will have that powerful line punner, Wyckoff, and several other stars of the national caliber for the 1924 team. It was Wyckoff, who, as a sophomore last year, caused so much trouble for Notre Dame.

Wisconsin, coached by Jack Ryan, will be met Nov. 8, in an important contest. The game will be played at Madison and is the most important non-conference game on the Badger schedule. Ryan turned out a strong team in the conference last fall, and it is expected that the Badgers will be among the leaders in the race in 1924.

Nebraska, the jinx for Notre Dame in two successive seasons, will journey to South Bend to meet the Rockne boys on Carter Field Nov. 15. It will be the first appearance of the Cornhuskers on the Notre Dame gridiron since 1921, when they were defeated by a count of 7 to 0. In the past two seasons the Missouri Valley team has handed Notre Dame its only defeats, spoiling brilliant records. The struggle will be the main attraction of the games on Carter Field.

On the following week-end, the South Bend aggregation will appear in Chicago, meeting Northwestern. It marks the first meeting between the two institutions since 1920, when the Chicago fans were treated to a rare exhibition of football by George Clipp and his cohorts.

As the final to a stiff campaign nine contests, Coach Rockne and his men will journey to Pittsburgh to meet the strong Carnegie Tech eleven on November 29. Tech will have a strong team next season and is expected to prove a fitting opponent for the climax of a brilliant year.

some hard practice licks on the local floor this week, intent upon making the best possible showing against Pendleton and Milton Freewater next Friday and Saturday. The games during the past week had showed the local boys were to be considered in the running for the Eastern Oregon hoop championship.

Four lettermen still remain ineligible, yet it is hoped they will be declared eligible for the game next Friday. They are Roy Studard, Jesse Payne, Gene Rahn and "Red" Sheppard. Even with these men on the sidelines for the first two games, the showing, as been said before, was good. Ken Orman, center, and Cundiff, forward, carried off scoring honors. This is by the by, Cundiff's first varsity year. Goal keeper, a letterman, Don Smith, and Frank Kirkland showed up well. Fred Masche and Duff, freshman captain, worked as substitutes, and proved their ability to fit in the lineup.
