### Two Fisted Jefferson

Showing at Sherrys today Only.

Jack Hoxie, the Ben Wilson-Arrow star is again the hero of a splendid Western picture written and directed by Roy Clements and produced under the personal supervision of Mr. Ben Wilson, with cast which includes Evelyn Nelson, James Webb, James McDaniel and Claude Payton.

### Film Version of "The Acquittal"

Showing at Arcade.

Mystery, gripping, enthralling mystery, this is the underlying feature of "The Acquittal."

The telling of the all-star cast in superb, Norman Kerry addition, other triumph to his list as the part of Robert Armstrong, whether he's the hero or villain isn't told until the final finish; his acting skill keeps up to the situation. Claude Payton stars a dramatic role as Magdeline Ames, Messenger, noted dramatic star, plays the district attorney of the sensational trial scene; Barbara Bedford, Charles Wetton, Richard Travers, Frederick Vroom, Hayden Stevenson and others have parts that fit them to perfection.

The court scenes are astounding, longly true to detail and dramatically gripping.

## WALK ON THE 'LEFT SIDE'

### Pedestrians Are Safe on Left Side of Highways, Says Association Official.

SAN FRANCISCO (AP)—Pedestrians on country highways will find greater safety by staying on their left-hand side, according to Perry K. Towne, chairman of the public safety committee of the California State Automobile Association. He is urging them to adopt this method of walking.

Mr. Towne sees the necessity for this in the increasing number of accidents by vehicles approaching from the rear. The right side of the road is particularly dangerous at night, in his opinion, as motorists often are blinded temporarily by approaching headlights and fail to see pedestrians. The pedestrians, on the other hand frequently assume that they are visible and do not look behind them. By walking on the left side, Mr. Towne says, they face the approaching traffic and can stay out of its way.

## NINE DAY AIR TRIP PLANNED

MELBOURNE (AP)—Progress is being made toward the establishment of a gigantic air service which will connect Great Britain, Egypt, India and Australia. Details of the plan have been discussed in Melbourne with the postmaster general and the minister for defence, and it is expected that it will be carried out.

At present the journey from Australia to London occupies practically a month. The proposed airship service would cut this to a little more than nine days, which would include a stay of six hours at each of the stopping places. The airships would carry mail and passengers.

The proposed route, with time and distance, follows:

Melb. to London 2,161 40  
London to Baghdad 645 15  
Baghdad to Bombay 1,771 41  
Bombay to Calcutta 755 25

### Russians Honor Reel: Want Painting of Him

LONDON (INS)—The Bolshevik Government, it is learned here, is establishing a large agricultural college to be known as the "John Reed Agricultural School," named after the American writer and Communist, who died two years ago in Moscow. They are now taking steps to secure some pictures of Reed to be hung in the large mess hall and are especially anxious to secure a strong oil portrait of him to be hung in a position of honor. The suggestion is that perhaps some great artist might paint one, who knew him could do a portrait of him. The only stipulation is that it must be satisfactory to his widow.
