

La Grande Theatres

"Children of Dust" Now Showing at Arcade Theater.

In "Children of Dust," the current offering at the Arcade Theatre, Frank Borzage has come near to equalling his immortal picture, "Immortal Love," than in any subject since that memorable screen classic.

"Children of Dust," with its living characters, is truly a page from the book of life. The story is of Terrell and the lad's love for Helen, a wealthy girl. He is a real Harvey Raymond, another wealthy child. Old Archer, caretaker of a New York estate, plays an important part in the romance. In the sacrifices for love, and in the romance, Borzage mirrors the very essence of life.

Johnny Walker is well cast as Terrell's uncle, Pauline, Garon and Lloyd Hughes live their respective part as Helen. Livermore and Harvey Raymond, Bert Woodruff is superb as Old Archer, and Frankie Lee, Josephine Adair and Newton Hall splendidly portray the leading characters as children.

"Steam Screen" Is Novelty Shown in Picture at Sherrys.

A "steam screen," declared to be not only the last word but the last syllable in photographic effects, is a feature in a big scene in "Your Friend and Mine," by Willard Mack, a Metro-Six, (Reverend) production directed by Clarence G. Badger, now at the Sherry theatre.

The occasion in the picture was furnished by an entertainment in an artist's studio, showing East Indian music, classical and Eastern, and other novelties. A fire screen closed a devil dance given by Fred Harvey, a solid sheet of flame covering the entire stage in the studio as Mr. Covert ended his weird performance.

Then came the steam screen. The number was "A Dance of the Winds," interpreted by three of Mr. Covert's fair pupils.

"Your Friend and Mine" was adapted for the screen by Willard Mack. Included in the cast are Paul Bennett, Willard Mack, Rosemary Theby, J. Herbert Frank and Alton Ray.

ELGIN CLUB SUCCESSFUL

"Country Club," Planned for Cemetery Benefit, Becomes "Good Fellow" Organization.

ELGIN, (Special)—A most enjoyable and delightful party was held last Saturday evening at the Elgin Knight home on Cricket Flat, there being about one hundred guests in attendance from Elgin and vicinity surrounding and an evening of fun was spent. Several months ago a number of families, who live in Cricket Flat district felt that some improvement should be made in the Elgin cemetery, accordingly, as a means of raising the necessary funds they planned to hold a banquet social and program. The result was so favorable that they decided to continue to hold the social gatherings without regard to raising of funds or for special purposes other than to promote good feeling and fellowship. Those interested chose a Club name, "The Country Club," and meetings are held every two weeks. The next host and hostess are to be Mr. and Mrs. Ben Benschneider, on February 27.

The cooked food sale held by the Women's Improvement Club Saturday was a success. The result of the sale was applied upon the fund of its yearly donation to the Scholarship Loan Fund. The members will have about \$18.00 to send in from the sale.

Mrs. Arnold Hur and daughter, Lorraine, went to La Grande Monday morning. They plan to be away several days on a business and pleasure trip.

J. W. Brown, who has been in business here at different times and is well known about Elgin was in town Saturday. Mr. Brown went from here to Rogerson, Idaho, last spring and is still in business there. Since the first of the year he has been making a tour of California and is now on his return to Idaho. He says that conditions are not very favorable for farming people in Idaho and that many are moving to other states.

One of the latest cases of measles to appear in that of La Rue Richards. He has been making his home with Mr. and Mrs. E. Hur during the school year.

The Women's Club is planning on holding a silver tea at the home of Mrs. L. Pughman Thursday to aid in their treasury, either for the Scholarship Loan fund or other worthy causes. As this is the best way for dissemination of the Loan fund and its good uses, it will be fitting to do something that will add to the available funds. Members are urged to bring their friends and, if desired, their needlework, etc.

Miss Mamie Alexander was in La Grande visitor last week.

Mrs. Bault, who resides at Hazelton, came to Elgin last Sunday for an extended visit with relatives and friends here. At present she is staying at the home of her son, Wilbur Bault, of Cricket Flat.

Miss Mabel Knight was a weekend visitor in La Grande, where she is receiving medical treatments.

T. B. Clarke returned Saturday from Atlanta, Georgia, from three weeks in Army School. During his three years' absence he has been stationed at different points in Georgia, the Carolinas and Alabama.

Joseph Scott has been suffering from a light attack of a gripe, the past week, but is much better now.

The members of the Christian Church held a very pleasant party at the church last Friday evening. A program supplied part of the entertainment and a large number of people were present.

\$150 Damages Sought.
ASTORIA, Or.—Seeking to recover \$150 damages for personal injuries resulting from an automobile accident, a suit has been filed in the circuit court by Leo Dopplinger against C. E. McBride. The complaint avers that on October 24 the plaintiff was struck by a car driven by the defendant and his collar bone was broken, his ribs fractured and he sustained internal injuries.

DO YOU WORRY?
 One of the most difficult things to contend with in these strenuous times is worry and nervousness. Almost everyone suffers in one form or another—neuritis, arthritis, nervous indigestion, etc., and such ailments are the result of a faulty nervous system. Women suffer most, because of their physical make-up. To correct these conditions take Dr. Pierce's Scientific Prescription, the great soothing herb.
