

Spring Time Is New Shoe Time for Little Folks

There's something in the air that starts the children jumping, skipping and stepping lively about the time Spring pokes her head around the corner. Mother's part in these happy days is to see that the children have a pair of our strong new shoes that will stand the strain of marbles, jumping ropes and the like.

Their first game of the season Tuesday evening at North Powder where they will clash with the Powder town team.

The North Powder team has played several games with success, greeting their efforts on the most part and brisk opposition is expected by the members of the local quintette.

Charles Reynolds is coaching the Legion team and will accompany them to North Powder tomorrow evening. Quite a number of fans are also expected to make the trip.

shots were hurried due to the close guarding of the opposing quintette but had one-third of them been successful, La Grande would have won by a margin of 16 or 12 points instead of one.

On the floor the La Grande team played the best game they have exhibited this season. Determined to avenge their defeat at Union the night before, the Josephites started out to sweep all before them. Desperate rallies were made throughout the game but were invariably broken up.

The work of Metcalf, guard, was one of the outstanding features of the local team's defense. Metcalf's face is fairly new in the Tiger lineup but nevertheless he is playing an aggressive, consistent game that leaves no doubt but that he is the man for the position. "Coker," guard, likewise held his opponents down with a firmness that left the visitors little chance of breaking through for a basket.

Outside of their inability to hit the basket, the work of the forwards and center was excellent. Brilliant sessions of passing, only to fail when an attempt was made for score, flashed across the court time and again. On the passing end of the game Joseph was clearly excelled but at guarding the Josephites were a close second to La Grande's team.

Cole, Joseph forward, was the only man to score a field basket for the visitors. He looped two in the first half and one in the second. On the other hand La Grande made exactly double that amount, Lynch getting one, Price two and Hummelt three. While Joseph converted 4 free throws, La Grande only converted one.

This week La Grande enters into competition with Pendleton when they go to the Round-Up city Friday night to play the Buckaroos. On Saturday night Union High plays here. The following week La Grande will wind up her season with a game at Baker and one here with Pendleton.

Summary: La Grande 13, Joseph 12.

La Grande: Price 4, Lynch 3, Hummelt 6, Coker, Metcalf.

Joseph: Cole 3, Bell, Gaultie 1, Estes 2, Dawson.

Substitutions: None.

Attempt at free throws following fouls called: Joseph 13, La Grande 5. Free throws converted: Joseph 4, La Grande 1.

GROOMING DOGS FOR ENTRY IN FAMOUS DERBY

ASHTON, Idaho, (AP) — The American Dog Derby, to be run here February 22, has taken on an international aspect with the entry of a team from Canada. A competitor from Alaska, also is anticipated.

Whether Canadian or Alaskan dogs, trained for long drives instead of for speed, will be able to hold their own with the fast American teams of this section is a dispute unsettled, but Idahoans generally are willing to "bet their shirts" on their entries.

Miss Lydia Hutchinson, heroine of past Ashton races and nationally known as a pilot of dog teams, will drive the Canadian team. She was last reported in Montreal picking out her dogs, which will be entered under the colors of the Montreal Winter Sports committee. Heretofore "Lydia" as she is known in this section, has driven her teams with excellent results. She always was among the first to cross the finish line. In the last year, however, she has had it tough with her dogs, many of which have died of some strange malady.

Several drivers already are here, putting their teams through practice. The youthful Oleon Zarn is among them.

"Smoky" Gaston, the present champion, whose team won last year by a few seconds, has his dogs about 60 miles from Ashton. In the Targhee Forest is the hunting lodge of William Koon, who will put out of the race by a sick dog made a wonderful showing in the last derby. On the Buffalo river, also in the Targhee, is "Tud" Kent, former American champion and acknowledged one of the crack drivers and trainers of the world. He is intent on recovering the honors which Gaston lifted from him last year.

This city lies to the southwest of Yellowstone National Park. During the winter months it is the meeting point of the railroad to the south and the snow trails to the north.

Race officials are making elaborate preparations to care for visitors this year, as the event has been drawing in interest annually.

SNAPPY CARD ANTICIPATED

Fans Expecting to See Some Real Fighting at Star Theater Tuesday Eve.

Interest continues to run high in the heavyweight boxing card, headed by Jim Ross, Denver, and Joe Angelo, Boise, to be held here Tuesday evening in the Star Theater.

Tuesday evening in the Star Theater. Despite other attractions of that evening and from the sale of tickets, a large number of fans are expected to be gathered at the Star when the curtain rolls up on the 26-round card.

Ross and Angelo, of course, are receiving more attention than the other and lesser dignitaries of the world of fistiana who will appear, but the two six-round events and the preliminaries are coming in for their share at that.

Bulldog Woodfin, of Baker, to meet Lindsay, of Union, in La Grande and appears fit for the contest. Lindsay is expected to make things hum for the Baker boy and a close match is predicted by many.

Halp Wright, of La Grande, and Kid Hubert, of Union, who meet

in a six-round special, are both hard fighters and this bout is expected to be no less in interest than the semi-windup.

Thompson and Norton, who fight in the curtain raiser, are both ambitious scrappers and should mix things to a fare-the-well.

The opening event begins at 8:15 Tuesday evening in the Star.
