PASTOR BACKS VIRGIN BIRTH

In his sermon last night at the Christian Church, Home Forest, he took a strong stand against the pastor's taking a stand against the virgin birth. He declared his belief in the "virgin birth" as held by the great body of the church through the ages and as taught by the Gospels of Matthew and Luke. To give it up is to give up the reliability of the Gospel accounts, to impugn the character of Mary, and to declare the illegitimacy of Jesus. He declared and insisted that these consequences be faced in our thinking upon this matter. Meetings were announced for each night of the week except Sat., with Friday night as Question Night, not the Richard's variety, but queries of Bible difficulties. Sermon tonight on "The Reason for It All."

Third Installment of Questions Answered

(Continued from page 1)
J. R.—I have lost my fountain pen. Did the party suspected steal it?
Ans.—Your pen is not stolen. Look in your desk's box of writing paper and stationery and you will find the pen where she left it after writing with it.
E. D. M.—Will I get the position I have applied for?
Ans.—No. However you will have another position offered you through your friend Lawrence and I advise you to accept it.
L. A.—Will my next child be a boy or a girl?
Ans.—It will be a girl the last week of next May.
L. A. H.—How much money will I inherit from my grandfather's estate?
Ans.—Exactly \$600.00.
E. R.—Will I change my position in the near future?
Ans.—Would not advise a change for at least five or six months, as you will have an opportunity at about that time to enter into business and furthermore you would then be able to do fairly well.
M. E. W.—My wedding ring is missing. Can you tell me where I lost it?
Ans.—You dropped it into a trash can when you threw away some trash out of your bedroom. Your 4 year old child misplaced it after you put the ring on the dresser and in that way it got into the trash. Look among the trash and you will find the ring.
L. I. R.—Can you give me the present address of my cousin Madeline?
Ans.—Address her in care of her employer, Morris Marko, 3329 West Sixty fifth Place, Chicago, Illinois.
C. P.—I have lost a much cherished topaz ring, where can I find it?
Ans.—Look under the dresser in your bed room and you will find the ring where it rolled after dropping out of some toilet articles you were removing from the dresser last week. You should find a better place for your jewelry than in a dresser drawer.
E. R. H.—Is there anything I can do to make my husband stop drinking and to support us better?
Ans.—I am sorry to tell you there is nothing you can do with him as long as you remain in this locality among his present associates. Your husband would do right were it not for the influence of the others. I advise you to use the initiative as well as drastic measures to get him away from here as soon as possible. It is your only hope.
Ans.—I advise you to stay here to my former place where my family is and will I get steady employment?
Ans.—I advise you to stay here and bring your family here. You will get only a very small percentage of the money from the bank that closed up.
D. H. D.—Will I ever live with my former husband again?
Ans.—No. He never will mean anything to you in the future.
L. C.—My nerves are almost a wreck and I have severe pains in my back. What can I do to cure this trouble?
Ans.—A really good chiropractor will entirely cure your trouble. It will require approximately eight months to affect a complete cure.

What My Neighbor Says

Is of Interest to La Grande Folks
When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering that personal advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a La Grande resident. Who could ask for a better example?
Mrs. C. I. Johnson, 502 Spring St., La Grande, says: "Kidney disorder ruined my nerves and back. My head ached and I had severe dizzy spells and could hardly walk across the floor. My kidneys acted irregularly and I felt miserable. After taking Doan's Pills I was free of kidney trouble."
FOUR YEARS LATER, Mrs. Johnson said: "I have never had anything do me as much good as Doan's. When my kidneys trouble me, they are sure to give relief."
Price 50c. at all dealers. Don't simply ask for a kidney remedy. Get Doan's Pills—the same that Mrs. Johnson had. Foster-McLarn Co., Buffalo, N. Y.
