One Auto for Each 100 Germans. BERLIN, (AP)—Germany with a population of about 69,000,000 has a total of 152,229 passenger automobiles and trucks.

The United States with an approximate population of 116,000,000 has a total of nearly 15,000,000 motor vehicles of all sizes of one for about each seven of population.

Germany's total of motor vehicles is only about one-tenth the number in New York state alone.

Statistics show that each of 24 American states has more automobiles than the entire German republic.

Private State Army Dismissed. Privates Take Reduced Pay.

BERLIN, (AP)—The reorganization of the Free State army, now in progress, is carrying with it material reductions in pay.

Privates have been cut from 24 shillings and 6 pence a week to 21 shillings and 6 pence, and a further reduction is contemplated.

More than 25,000 men already have been dismissed, yet the army still numbers 25,000.

Nine thousand more men are slated to go.

The number of high command officers probably will be considerably lessened, and as soldiers' barracks become available they possibly may be used to relieve the housing shortage.

THEATERS

Many Thrills in Big Film of Early Days at Arcade.

The world thinks of the Pilgrims chiefly as a religious band. Yet Charles Hay in his research for the production of "The Courtship of Miles Standish," which opens at the Arcade theatre today for a three day run, found plenty of swashbuckling adventure.

In the foreground runs America's first love story of Priscilla and John Alden woven amid the thrilling adventures of the Pilgrim fathers. Among these were the troubles with the pirate crew, the almost disastrous storm at sea, the constant menace of the Indians and the final triumph over terrible handicaps.

"White Tiger" Is Unusual—Showing At Star Soon.

"White Tiger" is an unusual screen play of the underworld opening at the Star theatre today for a three day run. It is a Universal-Jewel production starring Priscilla Dean, whom many think the beautiful heroine of "Outside the Law," an underworld story triumph of two years or so ago.

"White Tiger" is the story of three crooks who were human. Most crooks in fiction are sort of Sir Walter Raleighs and Joan de Arcs gone wrong, romantic, impossible, strutting figures who do everything honorable towards each other and are the best of pals.

Fine Human Appeal in "Temporary Marriage" Shown at Sherrys.

That the wealthy man's home has to face many troubles and distresses is hard for happiness as the domestic of his work-a-day neighbor is one of the vital facts brought out in "Temporary Marriage," directed by Lambert Hillier, which is playing at the Sherry's theatre. The production is a new type of domestic picture, because it differs radically from the class of pictures that have dealt with the home and its problems in the past.

Her Recovery Almost A Miracle, She States

"If it had not been my own experience I would not have believed anyone could build up so fast," recently said Mrs. Jessie Holland, 152 McMullen St., Portland, Oregon, in relating her experience with the Taniaic treatment.
