TO LIMIT TAX HOUSE DEBATE

(Continued from page 1)

Discussions on the bonus bill Tuesday developed the opinion in the committee that it could not be given consideration before the tax bill is disposed of. Chairman Green said, however, the bonus measure would be first on the program of committee after the floor contest on the revenue bill is finished.

The revenue measure was given a clear track in the house by a decision of the Republican steering committee Tuesday to withhold all other legislation from the calendar during its consideration with the possible exception of appropriation bills if delay is encountered in its disposition.

In addition to amendments which will be offered by the Democrats, however, to the estate tax rates, coupled with an amendment to impose a gift tax, some skirmishes are expected on revision of the war excise, or nuisance, taxes, many of which the committee rejected.

Considerable support is expected for the gift tax. Republicans Divided
Discussion among Republican leaders Tuesday failed to develop a definite agreement in their party as to surface rates, on which pronounced differences have developed in their ranks, and on which the Democrats are centering their fight. Representative Longworth, Republican floor leader, in expressing the belief that it would not be possible for the

Republicans to put through the Mellon surface rate of a 25 per cent maximum, has said, however, that they should be able to unite for a rate lower than the 44 per cent maximum proposed by the Democrats.

HELIx LOSES TO LEGION 5 IN FAST GAME

collet floor game but in the last minute of play it was he who snatched the game from the embers.

With the score one point difference and Helix attempting to start a rally, Bud was knocked out and was out for a couple of minutes. But he came back and dropped a basket in the hoop goal that clinched La Grande's lead.

Incidentally Bud was high point man of the local team with a total of seven field baskets and two free throws giving him 18 points. Stockman, the seven-foot Helix center, tied him for scoring honors with a like number of markers. Garity, La Grande, and King Helix, tied for second honors with 8 points each.

Garity shared stellar honors with Theisen in the first half with both MacTavish and Reynolds going good. In the last half McDonald exhibited some excellent guarding and Theisen improved. King, in reality, played better than his team mates. Stockman scored more but was unable to do much, except at the tip-off and under the basket. On the floor he was lost.

Future Looks Bright. La Grande's team was organized after Helix clinched the lead in the Umatilla basketball league and has only been playing two weeks. With a few more weeks practice, the Legionnaires should be 50 per cent better than Helix who, incidentally, played at least 50 per cent better ball here than they did at Union Monday night.

With a large crowd in attendance, Referee Homer Jamieson tossed the ball up at center, and the game began. La Grande scored first blood and increased their scoring to 3 when Garity shot a free throw. Helix got going then and hit the basket. Both teams scored about on a par from then on although the half ended in Helix's favor by one field basket.

In the first half Helix shot but six field baskets while La Grande shot seven.

In the third quarter La Grande seemed unable to score but before the whistle blew started a rally that netted them 8 points.

In the final quarter it was all La Grande. Helix scored one field basket while La Grande scored four times that many.

Luck Not So Good. The local team's basket eye was blinking most of the time last night or La Grande would have won by a score double what was recorded. La Grande got approximately 50 per cent more shots at the hoop but were unable to loop them through, although time after time the ball came within a fraction of falling in.

The game was rough throughout but free from any friction.

Summary.
Score by quarters:
Team 1 2 3 4—Total
La Grande 9 7 8 8—32
Helix 8 10 5 3—29

Scoring: La Grande: Garity—5; McDonald—2; MacTavish—1; Reynolds—1; Proctor; Theisen—15; Helix: King—8; Nelson—3; Stockman—16; Kendall; Price.
