Loses Chief Industry, But Town Doubles Size.

DUBOISTOWN PA. (INS)—This town was started forty years ago during a lumber boom and at that time the site of many sawmills employing scores of men. Today, although the mills are gone and there is no other industry employing more than half a dozen men, the town is nearly twice as large as it was then.

Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

PENDLETON 5 OUTCLASSED

(Continued from page 1)

Grande 7, Pendleton 5. Hatton, Pendleton forward, scored the first field basket for his team, while Lynch with a beautiful shot, started the La Grande scoring.

Pendleton Recovers.

When the quarter ended La Grande led 5 to 5. In the second period Pendleton showed almost strength, scoring two field baskets, one by Hatton and one by Gillett, center, and adding 4 points gallery hits the free throw route. In the meantime La Grande was adding to her score with one field basket and three free throws converted. The half ended La Grande 12, Pendleton 11.

Applause Deafening.

During the first half and, in fact, during the entire game scoring by the Tigers was followed by deafening cheering coming from about half a hundred throats that belonged to the cage fans.

The second half started off with La Grande immediately increasing her lead. At the end of a few minutes play the score had mounted to La Grande 21, Pendleton 12 and then, after the Bucks converted a free throw, La Grande continued surging ahead. When the quarter ended the score stood, La Grande 22, Pendleton 15.

No Field Baskets.

In the third quarter Pendleton was unable to make a single field basket and they repeated this unenviable record in the fourth. No points were made by the visitors and every one came from shots from the foul line. On the other hand Lynch shot four baskets, Hummell two, and four points were made by free throws by Price, Hummell and Coker.

In the last half the game grew rougher and eventually two Bucks, Temple, guard, and Sager, diminutive forward, were eliminated due to too often personal fouling. Price, captain of the locals, also was taken from the game in the fourth quarter for the same reason.

La Grande Wins.

When the final whistle blew, giving the Tigers the victory 29 to 18, pandemonium reigned supreme. La Granders, seeing their team win from the Buckaroos for the first time in three years of athletic contests, went wild with delight.

Lynch Stars.

Hatton, forward, failed to live up to his vaunted reputation. In the first half he scored six points but in the final half only one, which failed to compare with the work of Lynch, La Grande forward, who shot two more field baskets than the entire Pendleton team.

Lynch, playing the floor well, excelled in scoring ability, his field baskets, the majority long distance shots, brought forth the cheers of the crowd as payment for his efforts.

Hummell, center, played an excellent floor game and scored three field baskets and seven free throws, missing him second high point honors. Price, forward, and the guards, Coker and Mcleod, all showed up well. Coker and Mcleod were responsible for the failure of Pendleton to do much scoring.

Fast Referee.

Cuccia, Baker referee, who officiated last night, in his initial appearance here scored forth the praise of fans in no uncertain quantities. His decision were accurate and close, but despite this he kept both teams going at full speed.

Tonight La Grande gets, inasmuch as last night's game was the last of the pre-tournament season, with Pendleton host to Baker.

HIRAM W. JOHNSON FOR THE M'NARY HAUGEN-FARM BILL

HIRAM W. JOHNSON
Republican Presidential Candidate

SUCK FALLS, S. D., Feb. 23.—In the opening speech of his South Dakota tour here today, Senator Hiram W. Johnson of California paid keen tribute attention to the plight of the farmers and declared that the government should come to their assistance.

The best way in which the government could give this assistance, the senator told the audience, is through the McNary-Haugen bill, "by and, what primarily the government of itself is responsible, when we remember the farmers appeal to farmers to bless their wheat and their generous and patriotic response, when the economic ills of deflation are borne in mind, not only would we individually render the assistance required, but we would have the government itself seek to remedy a part of its wrong."
