Virginia Valli With Star Cast at Arcade Theater.

Millions of people have read and loved Frances Hodgson Burnett's novel, "A Lady of Quality," and now they have the opportunity of seeing their beloved classic on the stage at the Arcade Theatre.

At a Universal super Jewel, the highest form of photoplay which is produced by the Universal Pictures Corporation, averaging one a year, "A Lady of Quality" is, of course, an elaborate production.

The Star is Virginia Valli, portraying the winsome heroine, Countess of Dunstonwold, nee Clorinda Wilshire. Her personal characteristics of beauty and manner contribute a charming sincerity to her work. To many she will represent the ideal type the author had in mind.

The cast supporting Miss Valli includes such well known film favorites as Milton Sills, George Foxe, William Louis, Alvena Manning, Bert Roach, Leo White, Patterson Dial, Dorothy Wolfert and Florence Gibson. Sills is the romantic masculine figure and Foxe plays Sir John Owen.

"Saramouche" At Sherrys Today And Tomorrow.

"Saramouche," a Rex Ingram production for Metro Pictures Corporation, adapted from H. de La Motte Fouquet's novel of the same name, is showing at Sherrys today and tomorrow. This picture, a feature in ten reels, has played special engagements in the larger cities and comes here acclaimed by critics as one of the masterpieces of film dom.

Ingram, from all accounts, has surpassed his production of "The Four Horsemen of the Apocalypse" with this picture.

"Saramouche" is a story of the French Revolution. It tells the romance of Andre-Louis Moreau (Hamon Navarro) and Aline de Keradilly (Alice Terry). Andre-Louis has been brought up in the ward of Aline's uncle, The Marquis de la Tour d'Azyr (Lester Stanley), a haughty aristocrat and man of fashion, killed Andre-Louis' friend, Philippe, because of his revolutionary sentiments, and on the Marquis Andre-Louis has sworn eternal vengeance. To make matters worse the Marquis is courting Aline.

Andre's scathing speeches cause him to be sought for the gallows, and in escaping from the guillotine, he joins a straggling band of players and becomes Saramouche, the clown.
