KLAN FACTOR IN PRIMARIES

Indiana Preparing for the Coming Preliminary Election With Kluxers An Issue.

INDIANAPOLIS (AP)—The Ku Klux Klan issue in this state will have a bearing on the contests for state offices at the primary May 6, with certain gubernatorial candidates on both the Republican and Democratic tickets coming out openly as opposed to the Klan, others keeping a significant silence on the issue, and with at least one candidate generally known to have the whole hearted support of the followers of the fiery cross.

In addition to this issue reduction of taxes, the honest elimination of unnecessary state offices relief for the farmers, more local self government and a general policy of economy are urged in the various platforms.

At the present time, with five Democrats and five Republicans having announced their candidacy for governor, and two others reported to be preparing to enter the contest, the presidential primary between President Coolidge and United States Senator Hiram Johnson is creating little interest. The Democrats will have no presidential candidates on their ticket, it is stated.

Democratic candidates who have announced for governor are: Dr. Carleton B. McCulloch of Indianapolis, Joseph M. Cravens of Madison, Dale J. Crittenberger of Anderson, Charles S. Ball of Terre Haute, and George R. Durgan of Lafayette. Henry A. Barnhart of Rochester is expected to announce his candidacy within a short time.

Mr. Durgan is the only Democratic candidate for the executive position who has come out with a statement that he is opposed to the Ku Klux Klan.

The men who have announced themselves as candidates for the Republican nomination for governor are: Edward C. Toner of Anderson; Edgar Bush of Salem, Mayor Low Shank of Indianapolis, Mayor Ora Davis of Terre Haute, and Edward Jackson, present secretary of state. Mr. Davis announces he will oppose the klan.

A larger number of Republican party leaders will be found supporting President Coolidge in his campaign in this state, John Moorman, northern Indiana Republican leader, will be back of Hiram Johnson.

Five Democrats who now are serving in congress at Washington have re-entered the fight to retain their places. They are William E. Wilson of Evansville, First District; Arthur Greenwood, Washington, Second District; Frank Gardner, Beatesburgh, Third District; Harry C. Canfield, Batesville, Fourth District; and Samuel R. Cook of Huntington, Eleventh District.

Seven Republican congressmen have announced their candidacy for re-nomination. They are R. N. Elliott, Connersville, Sixth District; Merrill Moores, Indianapolis, Seventh District; Albert Vestal, Anderson, Eighth District; Fred Purnell, Attica, Ninth District; Will R. Wood, Lafayette, Tenth District; L. M. Fairfield, Angola, Twelfth District, and A. J. Hickey, Laporte, Thirteenth District.

A feature of the primary this year will be the entry of Miss Julia Landers, Indianapolis, as a candidate for the Democratic nomination for congress from the Seventh District. She is the first woman in Indiana to be a candidate for such an office, and the only woman to announce to date as a candidate for any office.

The Republican state convention will be held at Indianapolis May 21 and 22, and the Democratic state convention in the same city June 4 and 5.

U.S. OLYMPIC HOPES BRIGHT

Americans Bid Fair to Take Honors in Sprints and Middle Distances.

(By Davd Walsh)

NEW YORK, (I.N.S.) — The Finns and Swedes may reign at will through the Olympic distance runs; the Finns may monopolize the points in the discus throw, win the shot-put and discus and altogether enjoy themselves in the field events; but from 100 to 800 metres the Americans figure to be supreme, as always. In fact, they will enter stronger fields at these distances than ever before since the ancient Greek games were revived at Athens in 1896.

What foreign sprinter, for example, can hope to break Oregon's to a prominent place against such as Paddock, Murchison, McAllister, Lever, Rudden and Kirksey at 100 metres, or against Paddock, Murchison, Woodring and Lovelock at the double distance? We know of none.

At the Antwerp Olympics H. V. Edward, the British negro, placed in the 100-metre event. He has been appearing in competition here for some time, but apparently can't get run fast enough to keep warm.

At 400 metres we have the strongest field of runners since Bradpiece, Meredith and others ran wild at Stockholm in 1912. Among the best are Woodring, Vernon Archer, Jake Driscoll, Joe Thorpe and J. Coard Taylor. Every one of them is capable of getting under 48 seconds, outdoors, right at this moment and, barring accidents, will be much further advanced when the sun barks at Paris.

Our 800-metre queries are so good that there is here possibility that Ted Meredith's world record may be erased. The best of the lot at this moment is Schuyler Enck, who recently ran Ray Watson, national champion, into the ground to set a new world's in-door record of 1:54 2-5. If he keeps his form, Enck may better this by two full seconds outdoors. Watson is a bit overtrained at the moment but, when right, will beat 1:54 for the full half mile.

Another 1:54 man is Allan Helffrich, the intercollegiate champion. He can step in any company and will prove it at Paris. This trio should, and probably will, run one, two, three.
