### Employment Brick in Ford Motor Companies

DETROIT (Special)—Employment in the Ford Motor company organization is now at the highest point in the company's history and reflects in a general way the prosperous condition existing in the country as well as in the automobile industry. There are approximately 157,000 workers employed in Ford industries in the United States, according to recent figures. Of these, more than 74,000 work in branch assembly plants. The largest number employed in any single manufacturing unit, is of course, at the Highland Park plant at Detroit, where 68,500 men are at work. The biggest increase in the number employed at any one place during the last year was made, at the River Rouge plant of the company. A year ago, 28,000 men were employed there, while today there are nearly 42,000 workers on the payroll.

### DECISION TO BE MADE ON MARCH 18

254.05 which is well within the bond issue. The bidding company is prepared to give bonds assuring the completion of the work as specified. The Oregon Contract company alleges that 1,500 miles of single track road surface pavement have been laid in the United States and is giving satisfaction. The type of dual pavement they propose to install is claimed to give practically the same service as an entire paved road for the reason that the traffic will use the macadam only when passing other vehicles.

### Court Adjourned

The court adjourned shortly afterwards to adjudge bids. Incidentally, J. E. Hutchinson, of Union, was not in attendance.

Bids were submitted by Porter and Conley, the Newport Construction company, Warren Construction company, Columbia Construction company, the Oregon Contract company and Bowers and Bowers. When adjournment was effected yesterday it was agreed to reconvene this morning at ten o'clock. The entire personnel of the county court was present today. Total amounts of bids presented and retained follows: Newport Construction company, \$132,584; Columbia Construction company, \$115,872.

## Tanlac Is Wonderful Says Seattle Tailor

### R. B. Jenks Adds His Testimony in Favor of Tanlac; Keeps It in His Home.

"Since taking Tanlac my health is all dressed up, so to speak. The treatment has given me a brand new appetite, smoothed out the wrinkles in my digestion, clipped off the fringes that my nerves and left me feeling like a different man." is the striking statement of R. B. Jenks, a tailor, 105 Ninth Avenue, North, Seattle, Wash. "About a year ago I was so

completely run down and lacking in energy that each day seemed like a month and dragged along so slow I thought quitting time would never come. My stomach and nerves had just gone to pieces in agony. "Tanlac has changed my whole outlook on life and has given me more energy than in years. I feel that I can do anything I want to do now. I am simply wonderful. I keep a bottle on hand all the time." Tanlac is for sale by all good druggists. Accept no substitute. Over 44 million bottles sold.

Take Tanlac Vegetable Pills. From a roof of a 15-story apartment here today.
