BALL PLAYERS TO LIMBER UP

First Practice of the Season to Be Held at High School Sunday Afternoon.

First practice of the season for the La Grande baseball club, members of the six-team Blue Mountain League, comprising Pendleton, Pasco, Walla Walla, Milton-Freewater, Dayton and La Grande, will be held Sunday afternoon back of the high school building.

The officers of the league invite all ball players to turn out. The method of picking the team, according to them, will be made wholly on the merits of each player and everybody will be given an equal chance to make the team. Grading has been begun on the plot back of the school house where the playing field is to be located and the field is expected to be in first class condition, at least for the first practice, Sunday. Limbering up the winter-soreened muscles and light practice will be in order Sunday.

DAUGHERTY GRILL BODY TOLD STORY

(Continued from page 1)
Had seen a letter to Jess Smith from Harding authorizing an "under cover" investigation.
Means of receiving \$100,000 from a Japanese acting for the Mitsui

company, in February, 1922, to stop investigation of the Standard aircraft case. He said the money was turned over to Jess Smith, Daugherty's friend.

Senator Wheeler emphasized to the committee that the record of the Daugherty impeachment case brought out Daugherty's alleged failure to prosecute the aircraft case.

Overpayment by the government of more than \$6,000,000 was then alleged.

In the aircraft investigation, Means said, he looked into the sale of American medals to the Japanese government by the Standard Aircraft company.

WASHINGTON (AP) — Miss Stinson, testifying here late yesterday spoke of a little green house on K street in Washington and a shack near Washington court house, Ohio, where Daugherty and Smith held private conferences with others. She mentioned James G. Gardin and said they dropped "him because he did not measure up."

Miss Stinson described the conversation also overheard between Smith and Joe Weber, actor, about getting a parole for a "Mr. Notman."

Notman is the actor's brother-in-law.

or-in-law.

"The talk, she said, was "how to fix it with Daugherty."
Asked by Wheeler if there was reference to money she replied: "He said he is awful cheap—he wants something for nothing. I don't know whether we will do anything about it or not."

Physician Surprised

"Hearing of some good results from the use of May's Wonderful Remedy I decided to try one a chronic case of indigestion and gastritis I was operated in. After the first dose the patient was relieved of gas troubles and was soon able to eat radishes and many things he had not eaten for years." I removed the catarrh, mucus, from the intestinal tract, and says the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis.
