Many farmers are using this spring. Carbonate of Copper instead of Blue Vitriol for treating their wheat and other grains, according to our best authority in agricultural schools and from farmers that have used this Carbonate of Copper in the Potomac country about Spokane for the past five years. This is by far the best to use. We also have Vitriol as well as Carbonate of Copper in any quantity. The Carbonate of Copper is economical as it only costs for 2 ounces to the bushel of grain. Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work. He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, must experiment and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

The freely gave his discovery, which he called Allen's, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed the Red Cross Drug Co. to dispense Allen's with the understanding that if the first plant bottle does not show the way to complete recovery he will gladly return your money without comment. Mail orders accepted.—Adv.

Operated On For Appendicitis

UNLAWFUL ARRANGEMENTS TO BE ANNOUNCED LATER

Any time, no doubt, you have seen the above headline in your newspaper. Very often it has been some friend suddenly taken with dread appendicitis, newspapers, however, neglect to state that appendicitis is usually preceded by stomach trouble. They don't tell you that the latest person suffered frequent attacks of heartburn long before he went to the hospital.

While heartburn is not always a sign of an inflamed appendix, it is always a warning that something is wrong. In many cases the Committee of Wardens and Vestrymen of St. Peter's Episcopal Church La Grande at office of J. D. Slater, Attorney, West-Jacobson Building up to 5 p. m.
