

NEWS of SOCIETY

A charming affair took place last evening at the home of Mr. and Mrs. Robert Newlin in the form of a delightful party, honoring Mr. and Mrs. Newlin's eighteenth wedding anniversary. Bridge was the main feature of the evening, with high scores going to Mrs. L. Lilly and H. E. Dixon.

An atmosphere of spring prevailed throughout the home, beautiful spring flowers being used in a very effective manner and during the evening delicious refreshments were served.

Mr. and Mrs. Newlin have lived in La Grande for a number of years and have many friends who wish them many more years of married life as happy as their eighteenth anniversary passed.

Next Friday evening will be quite an event in the I. O. O. F. church circle, for on that evening a farewell reception is to be given by members of the M. L. A. at the amusement hall on Fourth street to John L. Stoddard, son of the late George Stoddard, and Bello Lyman, son of George Lyman. These boys will leave on a mission to the eastern states and will be absent from La Grande for some time. Each of them comes from one of La Grande's leading families and each is very popular among the young people of his age. The reception Friday evening will be largely attended, according to reports among the young people of the church.

The Past Matrons club of Hope Chapter No. 12, O. E. S., will meet at the parlors of the Masonic hall Thursday evening at 7:30 o'clock, with Mrs. C. M. Humphreys and Mrs. Peter Heaver as social hostesses.

During the year this club will make comprehensive study of Americanism, together with common usages and also some special ritualistic work of the order. At this meeting there will be a short practice of the initiatory service, which the club will exemplify at the first regular meeting of Hope Chapter, in April. All members are urged to be present.

The Lucky Thirteen club will meet tomorrow afternoon, March 27, with Mrs. F. L. Lilly as hostess.
