The finest bodies on light cars

NOWHERE in the moderate priced field will you find automobile bodies equal to those of the 1924 Gray Group. Attractive in appearance, graceful in line, soundly constructed, comfortable—they are outstanding examples of fine coach work. For the first time you are offered bodies of this type at the low Gray prices.

Mechanically, the cars are characterized by the same proven economy and dependability which won for Gray the world's official economy record of 31.3 miles to the gallon of gasoline on a coast to coast run.

In comfort and refinement of appointments, in completeness and convenience of equipment, the Gray Group is unequalled in the light car field. See the Gray Group at the Automobile Show. You will appreciate that here are the greatest values ever offered you.
