In Racing Drama--

"Sporting Youth."

Now comes a picture in which Reginald Denny "strides" through the picture at a hundred miles per hour. All previous attempts at speed have been "slow motion" in comparison to the whirl of "Sporting Youth," the Universal-Jewel production in which Denny is starred, now playing the star role.

Denny is used in the Hollywood film colony for his extremely fast driving. He is a wonderful driver and likes to play tag with the best racers. But his craving for speed was entirely satisfied during the filming of his latest feature.

The climax of the story comes in a big race and all of the thrill of such a race has been caught by the camera for the Denny film.

Denny is supported by Laura La Plante and an all star cast. Harry A. Pollard directed the picture.

Treasury Audit Begun.

It was said that two weeks will be required to complete the audit.

Mr. Tourtelotte was employed to make the investigation by the new state treasurer, Mr. Myers made it plain that there were no indications of irregularities in the books and records of the department, but said the audit had been requested by Frank Rogers, chief deputy under the administration of O. P. Hoff.
