

"A COPPER WASHER FOR A SILVER DOLLAR"

If You Act Now You Can Secure An

AutoMatic
Washer

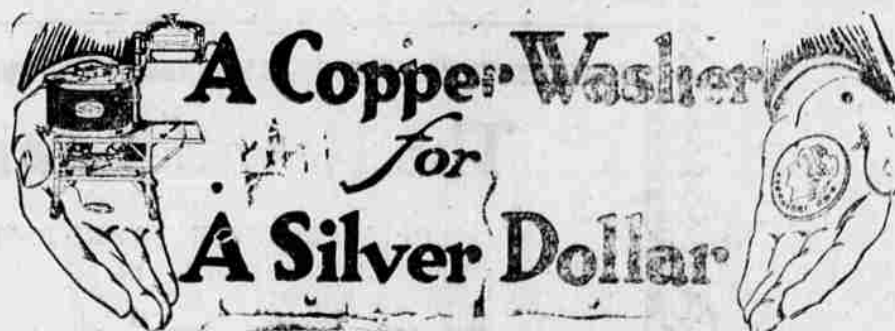

For \$1 Down and 16 Months to Pay

Now every woman in La Grande can have an Electric Washing Machine in her home. Starting tomorrow morning, we offer housewives of La Grande an opportunity seldom afforded—to buy the well-known, dependable AUTOMATIC ELECTRIC WASHER on terms ridiculously low—\$1.00 down and with 16 months to pay it means only \$1.79 per week, payable in equal monthly installments. Think of it—in one state alone in a single month, 1,120 thoughtful women took advantage of the opportunity to secure a corrugated copper tub AUTOMATIC WASHER at this special low term rate. The same opportunity is now open to you.

For The First 20 Days Of April Only

We want to demonstrate this wonderful new AUTOMATIC to every housewife in La Grande who now has no Electric Washing Machine. The new Hydro-disc washing principle secures remarkable results on the finest of garments. If you are unable to call at our offices to see the machine, just phone Main 34 and we will be glad to bring a machine to you and demonstrate its worth without obligation to you. The AUTOMATIC is the Copper Tub Washer which in a laboratory test was operated night and day, fully loaded for 4,700 hours without perceptible wear and without a single part breaking—a wonderful performance. This is assurance that the AUTOMATIC is correctly designed, carefully and substantially built of durable materials and that it will render you efficient, economical and lasting service. The Corrugated Copper Tub cuts down work and saves the clothes. Grooved and sloping copper bottom drains the tub automatically without tilting. It has many other distinct features which we will explain to you when we demonstrate it.

An all-metal Swinging Wringer attached is a dependable, substantially built piece of machinery which does its work efficiently, cleanly and without annoyance and labor. You'll be delighted with the work of this wringer.
