"The Blizzard"
Showing at Star Today.

Government statistics concerning the conservation of reindeer in Alaska are of more than ordinary interest, since the production of the Fox spectacle "The Blizzard" at the Star Theatre today. This picture, an adaptation of "The Story of a Country House" by Selma Lagerlof, great Swedish author, shows an enormous herd of reindeer in stampede. Close-ups taken at the risk of cameraman's lives, are said to be remarkable.

Reindeer have taken the place of the whale, seal and walrus as food in Alaska, according to the Bureau of Education of the Department of the Interior. It is estimated that there are about 250,000 reindeer, with a valuation of \$4,250,000, in Alaska.

"Wild Oranges"
Comes to Sherrys For Three-Day Run.

"Wild Oranges," at Sherrys today, Friday and Saturday, is a story of a disillusioned, restless, heartbroken man, John Woolfolk, after the tragic death of his wife, seeks consolation from society aboard his yacht. He cruises about the various oceans for twelve years, keeping as far away from humanity as possible. Accompanying him is a Scandinavian sailor, Harvard. It is on the wild coast of Georgia that Woolfolk finds renewed interest in life, when he meets Millie, granddaughter of his late wife's family.

Stape is an outcast of society, being forced to find refuge in the Georgia swamps because of a certain incident during the Civil War. Nicholas, a man of towering strength, but with the mind of an imbecile, performs the mental du-

TO DARKEN HAIR
APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Notice of Final Settlement.
