### Usefulness That Pays Its Own Way

For a car of its size and weight the good Maxwell could not be more sturdily or soundly built if you paid us double the price. There is no skimping, only the best of materials and workmanship. Genuine goodness is built into it.

From an investment standpoint you'll discover no financial flaws. In fact you'll find its usefulness costs so little per mile that the car literally pays its own way.

### COUNTY MEET IS SATURDAY

The second annual Union county track and field meet will be held Saturday afternoon beginning at 1 o'clock at the stock show grounds at Union. The meet will find both grade and high school athletes competing. La Grande, Union, Hubler and goodby, other schools in Fulton and Willows counties will participate. Considering that last season was the first regularly held county meet, Union county records are the winning marks made last year. One record, that of Price in the 440 yard dash, is better than the eastern Oregon mark but the remainder are not so good. Fulton holds three records and 12 records; Hubler, 112 records; the number 1 record, high point, man last year, holds four and is likely to set the relay record.

### These dealers sell gasoline that's always good!

The dealers listed here protect their customers by selling Red Crown gasoline, which because of the exacting production standards maintained by this Company, is uniformly reliable always and everywhere.

Protect your car by patronizing the dealers who protect you. You'll never have to drive very far to find a red, white and blue Red Crown sign, and your car will run better and farther if you let nothing go into your fuel tank except clean, reliable "Red Crown." Quick on the start, prompt on the pickup, economical on the long run—"Red Crown" has all the qualities you demand of a motor fuel, and has them uniformly.

Incidentally, it's worth reflecting that the garage man, service station, or other dealer who refuses to let his customers take chances with inferior or unknown motor fuels, is likely to be equally responsible and reliable if your car needs inspection or repairs.

Look for the Red Crown disc and the red, white and blue pump—the two signs that identify a reliable dealer.
