For this Thor Model No. 25 La Grande Housewives Have Placed Orders Already for this Special Offer

These are the famous Thor Electric Washers that you have seen so often and have heard so much about. Known from coast to coast—the machines you have seen advertised and endorsed by the Ladies' Home Journal, Good Housekeeping, Modern Priscilla and all leading magazines. More housewives use and recommend Thors than any other electric washing machines made—over 800,000 throughout America.

FEATURES WHICH MAKE HURLEY THOR WASHERS SUPREME

Will do your largest family washing so quickly and so thoroughly that you will be delighted. Wash the daintiest garments without the slightest injury. Operate on the revolving reversing cylinder principle. This method has proved beyond question to wash the most clothes—cleanest—in shortest time. Cylinder equipped with CROSS BARS which lift and drop the clothes, sending the hot suds swirling in and out and through, until every particle of dirt is removed from clothes and linens.
 All-metal swinging wringer with soft cushion rolls—can't break buttons. Remarkably simple to operate.

Built to give a lifetime of service. Doubly guaranteed—by the manufacturer and by us.
