NEWS of SOCIETY

Social news must be in the hands of the society editor by 9:30 o'clock. Due to the fact that the social page is made up before noon, it is practically impossible to insert stories after that hour. Hereafter, items, no matter how important they are, that are delayed beyond that hour, will not be printed until the following day—News Editor's Note.

Junior-Senior Banquet This Evening

At 6:30 o'clock this evening members of the Junior and Senior Classes of the high school, members of the school board, the faculty and other guests will meet in the Home Economics Department of the high school for one of the most delightful social events of the year—the Junior-Senior banquet. The banquet rooms are being decorated today and the tables set in dutch style, with Miss Margaret Cressey in charge. Junior girls are busily engaged preparing the banquet, under the able direction of Miss Marjorie Barrett. Girls of the Sophomore class will serve the banquet.

The menu is as follows: Fruit Cocktail served in tulip cups; Chicken, mashed potatoes, gravy, corn A la Southern, grape ice served with meat course, pickles, olives, Hot Rolls, strawberry short cake, mints, nuts and coffee.

Bernard Hummell, president of the Junior class will act as toastmaster for the evening and will give the Welcome. Sheldon Brownton will give the toast "It Beats the Dutch;" A. C. Hampton "Damming the Dykes;" Clark Price "Cheesit;" A. T. Hill "Dutch Cleanser Applied;" and "Seniors Ya" by Mrs. A. V. Lindgren, sponsor of the senior class. Other interesting numbers will also be featured during the serving of the banquet.

Following the banquet a dance will be held in the Gymnasium of the high school with music furnished by Lindsay's orchestra. The decoration of the gymnasium, with Miss Phyllis Scranton in charge, reflects credit upon Sam Cochran, who is acting supervisor, a delightful dutch style also being used for the Gym. The evening will start with the Grand march and during the evening three favor dances will be featured. Miss Fay Martin will dance, there will be a balloon favor dance and a bow favor dance, all adding much to the enjoyment of the evening. Girls dressed in dutch costumes will give out programs and serve punch during the evening.

The patrons and patronesses for the affair are Mr. and Mrs. R. J. Kitchen, Mr. and Mrs. Hummell, Mr. and Mrs. C. H. Scranton, Mr. and Mrs. H. Hoffman, Mrs. V. E. Bean and Mr. Webb.

Miss Laura Barbite and Miss Mina Murchison are sponsors of the Junior class and are doing much in making the banquet a success.

A delightful time was spent at the Dennis home last evening, when Mr. and Mrs. Robert Newlin and Mr. and Mrs. Bruce Dennis were hosts and hostesses to the Kaffee Klatch Club. The evening was spent at bridge with ladies high score going to Mrs. Vincent Palmer and the gentlemens' high score to Carl Helm.

The home was charmingly decorated with spring flowers and during the evening a delicious luncheon was served.

La Grande members of Chapter I. P. E. O. motored to Elgin yesterday and were entertained at the home of Mrs. Shoemaker by the Elgin P. E. O. A most delicious luncheon was served at 12:30 o'clock after which the afternoon was spent with Mrs. L. Denham and Mrs. Brownell in charge and "Women's Influence in National Affairs" as the subject, which was very ably handled in an interesting manner by the two ladies.

The Shoemaker home was beautifully decorated with exquisite spring flowers and everyone present spent a most enjoyable time.

The Garden

SPRING LAWN SECRETS

A garden is incomplete without the foil of a fine, green, velvety lawn to frame the colors of the flowers. The care of the lawn may start while snow is on the ground. Sprinkling new seed upon the snow and allowing thaws to carry it down to the soil is an approved method. It has the advantage of permitting a more even distribution of the seed as it is more readily discernible on the snow than when sown directly on the soil and it is an easy matter to get the entire plot covered without missing any spots. It also gives the needed early start.

With the first thaw that clears the ground, a mulch of pulverized sheep manure may be strewn to encourage early growth as soon as the frost is out of the ground.

If the soil is uneven, and the lawn bumpy, the greensward should be rolled as soon as the frost is out of the ground. Rolling is a most important factor in securing a firm, velvety lawn and one most neglected. It also serves to firm the seed into the ground and hasten germination.

Easily manipulated rollers with water ballast are the most convenient for the small place where they must be operated by hand. These rollers come in various sizes a 50-pound size before the water ballast is put into it, weighing 150 ponds with the water in the roller. They vary in size up to 110 pounds dry and 500 pounds water filled.

In many communities three or four families are joint owners of a roller which serves for three or four yards. The heavier sizes need two men, one to push and one to pull for speedy action. They are easier to handle in small yards than the solid rollers which need horse power or motor.

DODGE DELIVERY RECORDS BROKEN FOR THIRD TIME

For the third successive week Dodge Brothers dealers have broken all previous retail delivery records, states communications received by L. C. Smith, local automobile dealer.

During the week ending April 5, 5694 cars were delivered to purchasers. This was more than 100 in excess of the greatest previous week's business in Dodge Brothers history. This record, however, was of brief duration, as the very next week saw the delivery of 6106 cars at retail.

And now it is disclosed by official figures from the factory that the week ending April 19 sets still another and much greater record with 6576 delivered to customers.

In neither case do these figures include cars delivered to purchasers in foreign countries.

The consistency with which Dodge Brothers business continues to mount is cited by factory officials as an indication of the public's widespread and emphatic endorsement of the unusual value in the new line of Dodge Brothers motor cars. Week after week and month after month, since quantity production was attained on the new types, new records have been established.

Every week in this period has exceeded in volume of business the corresponding week of any previous year.

Live Wire Kills Angler.

THE DALLES, Ore. — William Doering, 14, died tonight from burns suffered when his steel fishing rod came in contact with a high-tension wire near the White River power plant of the Pacific Power & Light company in southern Wasco county.

Thousands of volts from the power line passed through the boy's body, burning away every stitch of his clothing save a leather belt. Arthur Lucore, a companion on the fishing trip, also suffered severe burns about the head and face.

Operated On For Appendicitis

FUNERAL ARRANGEMENTS TO BE ANNOUNCED LATER

Many times, no doubt, you have seen the above headline in your newspaper. Very often it has told of some friend suddenly stricken with dread appendicitis. The newspapers, however, neglect to state that appendicitis is usually preceded by stomach trouble. They don't tell you that the afflicted person suffered frequent attacks of heartburn long before he went to the hospital.

While heartburn is not always a sign of an inflamed appendix, it is always a warning that something is wrong. In many cases it results from indigestion, which is one of the predisposing causes of appendicitis.

If you suffer from a burning, gnawing sensation in the stomach, excessive gas, sour stomach, nausea or other distress after eating, go at once and obtain a bottle of Smith Bros.' M. A. C., the guaranteed stomach treatment. This pleasant, harmless liquid rids the stomach of catarrhal mucus, allays inflammation, helps digestion and cleanses the bowels of poisonous waste matter. Price $1.25. Money back if the first bottle does not relieve. Red Cross Pharmacy will supply. Mail orders accepted.—Adv.

CHURCH NEWS

PRESBYTERIAN CHURCH — The Red Letter Day in the thirty-eight years of our church history in La Grande will be tomorrow at which time the dedication of the new church home will take place. We plan to dedicate without any solicitation of funds and all may come without fear of being asked to contribute towards the building cost which is entirely underwritten by our own people. Dr. W. H. Bleakney of Whitman College, Walla Walla will be the speaker of the morning service of dedication; while visitors from out-of-town will assist and the pastor will dedicate the church with the congregation in vital association. The choir will present special music, with Mrs. A. L. Richardson singing "Ave Marie" with Mr. L. J. Lindsay playing the violin obligato, in addition to his offertory selection, Mr. G. L. Dutton will sing "The Ninety-First Psalm," while the Octette will render a most beautiful selection "Festival Te Deum." This dedication service will be at 11 o'clock, following the Sunday school at 9:45 at which time all members of the school will be present to have their part in the observance. The Christian Endeavor at 6:15 will be followed by the Home Coming service at 7:30 at which time all the visiting ministers will bring a message and the local churches will be united in the service as well as be presented by their spokesman. It will close a most happy day. Special musical numbers will add to the attractiveness of the evening hour. We invite the community at large to join with us in this unique service even as we offer our services to the spiritual leadership of the community.—Wm. Crosby Ross, Minister.

FIRST METHODIST EPISCOPAL CHURCH—There are special features to be carried out during the session of the Church School at 10:00 a. m. In addition to the regular classes the track classes for training for Church Membership are to be in session, and all who are looking toward membership in the church on June 1st are urged to be in these classes. The Mens' Forum will have S. C. Smith to give them the Message and it will be worth while.

At 11:00 a. m. the Pastor will preach, taking for his subject "Better Homes." The music will be appropriate for the occasion and to the subject.

In the evening the services will be withdrawn to accept the kind invitation of the Pastor of the Presbyterian Church to attend the service there, it being the dedication day of the new church.

First BAPTIST Church — Sunday School at 10 a. m. Mrs. C. E. Happersett, Supt., Lesson "The Downfall of Isreal." Some of the classes are having a contest for new members from those not in any Sunday School. The Bible Study prepares us for every duty. Washington and Lincoln were fortified by a working knowledge of God's Word.

Next Sunday is Mothers' Day and will be observed by a Program at our Church.

This Sunday is the first in the month and the Lord's Supper will be kept because he said "Do this in remembrance of me. As oft as ye do this ye show forth my death and sufferings till I come again."

This will not interfere with the Sermon On The Holy Spirit. Come get in the Spirit on the Lord's Day. "Be ye filled with the Holy Spirit," is a command to Christians.

Mr. Avery will sing a solo and the Choir will furnish gospel messages in song. Mrs. F. S. Jester will lead.

At the evening hour we will worship with the Presbyterian Church. We rejoice with them over the completion of their beautiful new Church and as Sunday is the day of Dedication we will spend the evening with them.

We had the best reports at the business meeting we have had before. The Associational year closed with May 1st. All Departments have surpassed former records.—A. R. Sitton, Pastor.
