

IT'S THE CUT OF YOUR CLOTHES THAT COUNTS

Society Brand
Clothes

The loose two button suit \$50

A loose, easy effect but not extreme — that's the Society Brand Cornell. There's a long, soft roll to the lapel, the back is very slightly shaped; straight, wide trousers. The cut is correct, the style is popular with young men. We have the Cornell in a variety of fabrics that make up well in this particular model.
