

NEWS of SOCIETY

Social news must be in the hands of the society editor by 9:30 o'clock. Due to the fact that the social page is made up before noon, it is practically impossible to insert stories after that hour. Hereafter, items, no matter how important they are, that are delayed beyond that hour, will not be printed until the following day—News Editor's Note.

Mrs. Fred J. Holmes proved herself a charming hostess yesterday afternoon when she entertained the Monday Bridge club at her home on Fourth street. Bridge was the feature of the afternoon with high scores for the club being going to Mrs. J. E. O'Connell and high score for the guest prize to Mrs. P. S. Robinson.

Mrs. Holmes' home was artistically decorated in the season's flowers and during the afternoon a dainty luncheon was served.

Everyone had a good time last evening when the Westminster Guild of the Presbyterian church held their fifth annual picnic in the city park. At six o'clock in the evening approximately thirty

members of the guild gathered at the park, where a delicious dinner was served, after which Miss Mabel Thibault, a missionary in New Mexico spoke on her work in the western states. Following Miss Thibault's talk a delightful social time was spent before returning to their homes.

Mrs. J. J. Carr will entertain the Thursday Bridge club at her home Thursday, May 22.

The Ladies Thirties club will meet this Thursday at five o'clock and will meet at the home of Mrs. Green, 2014 1/2 Fourth street, Thursday afternoon, May 29.

Thursday, May 23, about fifty or seventy-five members of the Women's Benefit Association of Marquette will go to Baker to attend a rally of all Eastern Oregon chapters of the association. A staff team of twenty members will go from the La Grande chapter to aid in the initiatory work. Supreme officers will be in attendance from Portland to speak to those in attendance. Entertainment plans are being made for the rally and a good time is anticipated.

This evening the Macraeben will hold their regular meeting before the rally and a large attendance is desired.

The Ladies Bible Class of the Presbyterian church will meet at the home of Mrs. C. Kirby, 906 O avenue, Wednesday afternoon, May 22, at 2:30 o'clock, with Mrs. H. T. Moore, assistant hostess. All members are urged to be present.

The Moody Bible Study class will meet at the home of Mrs. J. J. Charlton, 2008 1/2 1/2 street, Wednesday afternoon at 2:30 o'clock. Subject: Current events in the religious world and "Babylonish Captivity" as found in the last part of the book of Jeremiah.

Black and white striped satin, such as this, is so decorative in itself that even cut on the simplest lines it takes on an elaborate air. Here the stripes go round on the skirt and under the arms but go up and down on the sleeves and front. Six wide tucks at the hem, a few steel-colored buttons and a tansel scarf are effectively used.

Cave. (Special)—After the Commencement exercises Friday evening the seniors, the teachers and the speaker for the evening were given a banquet in the domestic science department of the school. Mrs. G. E. Barker and Mrs. H. H. Daniel served a delicious banquet in rooms beautifully decorated in a color scheme of gold and white.

Fashion Notes

Hosiery Gaudier.
Paris.—Hosiery becomes more gaudier daily. Some of the new stockings in the "ghost" and "mist" shades are so sheer as to be practically non-existent.

Combine Season's Features.
Paris.—A clever way of combining the season's penchant for lace and for flat crepe has been devised. The bodies of an afternoon frock just shown here is of flat crepe. The skirt is of lace, dyed to match and edged with summer ferns.

Feathers in Her Hair.
London.—Perhaps because of the courts, which require delicatessen to wear plumed head dresses, the young girl is wearing feathers in her hair these evenings. A cluster of nodding ostrich tips is often held in place over the left ear by a knot of flowers.

Lands of Bracelets.
London.—Smart women at the Berkeley and Claridge's dances are loading their arms with bracelets. Frequently these are slender circles of transparent glass, tinted in all imaginable shades.

The reason war endures is because it is glorious to charge the enemy and easy to charge the bill to posterity.

Seldom fails to Give Absolute Relief from All Pain and Suffering. Guaranteed by Red Cross Drug Co. and All Good Drug-gists.

Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their cure was hopeless and that there was nothing in the world to help them.

To those people we say, "Go to your drugist and get an original box of MOAYA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing, healing antiseptic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.
