### SPRINTERS IN WEST LEADERS

Paddock, Kirksey, Sudden, Hurley and Others Expected to Make the Olympic Team.

SAN FRANCISCO (INS)—Four western runners will offer east-west "steeple" competition this year in events for the Olympic games.

While in the field events Pacific coast athletes are expected to offer their best efforts, the west this spring has a number of runners who rank with the best in America, and in addition, there are a number of college trackmen now in development who may reach the peak of their work this season.

Olympic club, here, and a former Leelanau Stanford university star, is reported to be in sweet training for the big game trials and to be said to have set his heart on the Paris trip.

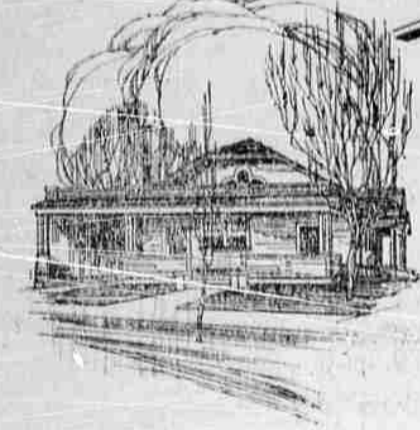

Sudden, Olympic club star, considered the best in the west next to Paddock and Kirksey, is reported in poor shape. In a recent dual meet with Stanford, Sudden failed to score a single point for the Olympic club. Sudden is probably out of condition and with training, will closely approach his old form.

Victor Hurley, of Washington has done the 100-yard dash in 17.42, and for western fans believe he is capable of a better mark than this for the quarter.

In the same event Barber and Shepard, of the University of California; Hale and Campbell, of Stanford; and Martz and Anderson, of the University of Southern California, all 19 flat, or better, sprinters, are outstanding performers.

Martz, the Southern California, is considered the far west's best flat in the quarter mile. He has been doing this number in 13.2-5 and is expected to show even a little better later this summer.

Funeral Director

FIFTH AT SPRING STREET

The effort of the conscientious funeral director, to render a superior type of service no matter in what financial circumstances the bereaved family may be, has characterized our work through the years.

To lighten the burden of grief in a sincere way, and yet to choose such materials in the conduct of the funeral as to appropriately meet every requirement of the situation without imposing an unfair or unreasonable financial burden; thereafter, is the ideal by which we are governed.

In intercollegiate meets last year, to give with the Olympic club, and no doubt will be among the west-coast stars of the year.

Storie and Miller, of Stanford, have done 50 seconds in the half-mile event, but they will have to show decided improvement over that to be in the final reckoning.

In the 300 yard race, Ray Duggan of Oregon Agricultural college, is the Pacific coast's topnotcher. He has done up time of 1 minute and 54 seconds in the event. Richardson, of Stanford, and Hayden, of the Olympic club, fifth at Antwerp, are also candidates in the 300.

Candidates for the mile and two-mile races are not very promising. Kacy, Smith and Charles, of Stanford, and four of the Olympic club, are doing fair time in the two-mile race, but outstanding performers are missing.

### Entries Received for Eugene Olympic Trials

EUGENE, Ore. (AP)—Entries for the Olympic games trials to be held here May 30-31, were received here Monday from four northwestern schools and four attached athletes. The University of Montana, Oregon Agricultural College and Willamette will send teams to Eugene. The College of Puget Sound will send one man, Ted Upton, in the two-mile race. Two sprinters, Maybee and Garbino, have mailed blanks from Seattle. Albert Lang from St. Joe, Idaho, and Phillip King from Twin Falls, Idaho, have entered the distance races. More entries are expected by Virgil Earl before the week of the meet arrives.

### KELSO WIN IS NOT UNLIKELY

(Continued from page 1)

and Oregonian, witnessed Kelso and Chehalis play last Sunday and he became so enthused as to pen the following:

"Not all the good baseball is played in the big leagues. Kelso win from Chehalis. The game was a thriller. There was just as much real baseball as you will see in the coast league. There was lots of sharp hitting and some even sharper fielding."

"Many of the Kelso players are from the Nebraska State league, including Priehard, their pitcher, a fox on the slab. In the eighth Priehard was hurt on a play at first and had to retire and Davis, the currier, tried out by San Francisco but released this spring, succeeded him. Davis, when he faced Callahan, the Chehalis southpaw, formerly in the Northwest league, after getting two strikes on him, fired the next pitch straight at Callahan's head and then curved the next one over for an infield out."

"If other teams of the Tumbler league continue with Kelso and Chehalis it will pay Walter McCordle, Tom Turner and some of the other scouts to put in a few days visiting around."

Which all goes to indicate that Charley Bench will get a real honest-to-goodness test on the mound Thursday. Bench really hasn't had to do a awful lot of pitching for Kelso to win as the Pirates were able to knock the opposing leavers out of the box at will but tomorrow, the Pirate sticks won't be making nearly as much noise. The writer has a hunch that La Grande will be lucky if she gets a half dozen hits—and that Charley will have to exert all past pitching if he stands much chance of being credited with a victory by the scorekeeper.

Kelso stands a notch higher in organized baseball than does La Grande anyhow so the Pirates will have an ally if they lose but if they win, they'll have quite a bit of glory coming.

The local batters will have a good chance, also, to test out their hitting ability when facing a good pitcher. "Lefty" Hartman is about the best the boys have faced yet and they touched him up for several innings—enough to make six runs one day and nearly that many the following Sunday but Priehard or Davis are both considerable higher in pitching ability than Hartman.

While Kelso and La Grande are having it out the Dokus band, which will be here for a ceremonial Thursday, will set in state in the grandstand and render sweet music. They may play a funeral dirge after the game is ended or maybe they may strike up "The End of a Perfect Day." Who knows?

## Wife Told Him, "You Just Must Try It"

### When She Gave Singleton Bottle of Tanlac—Relief Was Quick and Sure.

Tanlac Vegetable Pills for constipation, made and recommended by the manufacturers of Tanlac. Adv.

"Tanlac has certainly given me a rousing appetite and I have a 12 pound gain in good, solid weight to show for it, too," declared Christopher O. Singleton, 304 R. 18th St., Omaha, Nebraska, recently.

"Before taking Tanlac, I had absolutely no appetite. I would sit down to the table, eat a few bites and feel full. Sleeplessness also troubled me and I got into a weak, run-down condition."

"One day my wife brought home a bottle of Tanlac and told me: 'You've just got to try it.' Well, sir, I began to eat heartily and before long Tanlac had my whole system toned up. I now eat and digest everything, sleep good, and feel fine generally. Men who want to build up their health shouldn't overlook Tanlac. Tanlac is for sale by all good druggists. Accept no substitutes over 40 million bottles sold."

Davis, 2b; Beckham, 1b; Alexander, cf; Thomson, lf; Helms, ss; Bench, p. Melvin and Garity will be in uniform.

Ed Ford, formerly an umpire in the Tumbler league but who was released at his own request, will preside behind the bat. Mr. Ford is a very capable official.

### Painters Given Double Wage

In restoration of Tokio TOKIO (AP)—Scarcely all classes of skilled labor are receiving wages or pay during the reconstruction period in Tokio, but none have profited more than the painters. Before the great earthquake and fire of September 1, the Japanese were noted for the lack of paint outside and inside their houses.

### Stop That Backache!

Many La Grande Folks Have Found the Way.

Is a dull, nerve-racking backache wearing you out? Do you feel stiffer and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your next doctor recommended Doan's. Read what this La Grande resident says:

"I, D. Burger, 1602 Washington avenue, says: 'My kidneys were in bad condition and I had severe backaches and at times I could hardly bend. My kidneys acted irregularly, too, so I used Doan's Pills from Silverthorn's Drug Store and they soon had me free from the aches and pains and put my kidneys in good shape.'"

Price 50c. at all dealers. Don't simply ask for a kidney remedy. Get Doan's Pills—the same that Mr. Burger had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.
