Last Sacred Concert to Be Given

The last of a series of Sacred Concerts will be given at the Presbyterian church tomorrow evening, May 25, at 8 o'clock. These concerts have been given by the quartette of the Presbyterian church, consisting of Mrs. A. L. Richardson, Mrs. W. H. Hohnenkamp, Jr., E. L. Dutton and Prof. E. D. Towler, and the proceeds, from a free will offering at these concerts, have made it possible to install a new piano in the church. This beautiful new instrument will be used for the first time tomorrow evening when the concert will be given.

This is also the last time this excellent quartette will appear together before the public for several months as Prof. Towler is leaving in a short time for his home in the east, where he expects to spend the summer months.

Those assisting the quartette in tomorrow evening's program are Mrs. Harley Richardson, L. J. Lindsay, Miss Gladys Miller and Mrs. W. W. Berry as accompanist. The program for the evening is as follows:

Organ Voluntary—"Lift Up Your Voice" (Messiah) Handel—Mrs. W. W. Berry.

Anthem—"The Day is Gently Sinking to a Close"—Nevin—Mrs. A. L. Richardson, Mrs. W. H. Hohnenkamp, Jr., G. L. Dutton, Prof. E. D. Towler.

Bass Solo—"Invictus"—Hubn Prof. E. D. Towler.

Piano Solo—"The Lark"—Glin-a-Baldrew—Miss Gladys Miller.

Soprano Solo—"Farewell"—Rus-sell—Mrs. A. L. Richardson.

Violin Solo—"Meditation" (Tha-s)—Massenet—L. J. Lindsay.

Tenor and Bass Duet—"Crucifixion"—Faure—G. L. Dutton and E. D. Towler.

Anthem—"My Faith Looks Up to Thee"—Schmoeber—The Quartette with violin obligato, L. J. Lindsay.

Piano Solo—"The Swan"—Saint Saens—Mrs. Harley Richardson.

Tenor Solo—"The Rosary"—Ne-vin—G. L. Dutton.

Contralto Solo—"Ave Marie"—Schubert—Mrs. W. H. Hohnenkamp, Jr. with violin obligato by L. J. Lindsay.

Benediction.

Postlude.

The public is cordially invited to attend.

Separate

The popular separate blouse and separate skirt for summer are here shown making the perfect ensemble. The overblouse is of white crepe de chine heavily ornamented with tiny black dots, with a white collar and a puffed jabot. The skirt is of red and white stripes, pleated. The blouse would be equally smart with a suit skirt or with one of flannel or plain material.

The regular monthly meeting of the Monday Musical club will be held at the Neighborhood club rooms Monday evening, May 25, at 8 o'clock. Mrs. B. P. Landis will give a paper on "Modern Russian Music" and the following musical numbers will be given:

Tuesday, May 27, is the day for the annual meeting of the Neighborhood club. At this time the reports of officers, departments and committees will be heard and the election of officers will take place. There will also be a musical program during the afternoon.

This is the last opportunity to purchase tickets for the annual Neighborhood club breakfast which will take place at the Presbyterian church Wednesday, May 28, at 11 o'clock, and all wanting tickets are requested to get them at this time. They may be obtained any time before then from Mrs. Ward Fowler at the water office.

Wallowa, Ore. (Special)—Miss Gladys Miller, one of La Grande's piano teachers, who is conducting a class in Wallowa, Oregon, has just completed her second year's work at that place with two pupils. These recitals were ex-tremely interesting and attended, in such cases, by an appreciative au-dience. The expression, accuracy and careful attention to detail shown in each number testified to the excellent training that had been given.

The pupils appearing at the first recital were Beth Hillings, Margar-et Mann, Nellie Petelle, Clarence Munford, Justina West, Blanche Fleishman, Ruth Cherry, Harold McKean, Mabelle Pfeiffer, Evelyn Thompson, Louise Mann, Helen Smith, Donald Mitchell, Helen Fisher, Verdo Baird and Elson More- lock.

The second recital consisted of a group of numbers from Mendel-ssohn, Scarle, Grieg, Chopin, Schu-bert and others, by each of the following pupils: Constance Mc-Kenzie, Jane Ravenscroft, Lenore McKelars, Shirley White and Minnie Brown.

The Parkdale club will meet at the home of Mrs. E. E. Hughes Wednesday afternoon, May 28, with Mrs. George Lynsartson assisting as hostess.

Ylloisat, (Special)—A dance was held Friday evening at the Hyal store building, honoring the eighth grade class. A good crowd attended and everyone had a good time.

Fashion Notes

Painful Sports Costume.

Paris.—A beautiful sports costume just shown here is of flannel in narrow stripes worn together. Each section is a different color. Though sometimes the color of the skirt is of a solid shade, one suit of this sort had plaid flannel pocket.

Classic Head Bands.

Paris.—Head bands for the evening attire have taken a decidedly classic turn. In delicate plat-in, complex designs such as Hel- len of Troy, her hair might have worn, they are pushed low over the eyebrows and the hair arranged rather high behind them.

Some Wide-Rimmed Hats.

London.—A few wide-rimmed hats are seen, as is inevitable since

Miss Mary Wallace, daughter of the secretary of agriculture, who will be married soon to Dr. Charles Brugman, Switzerland, first secretary of the Swiss legation at Wash- ington, D. C.

in Paris hats are growing larger. But so far the small hat holds its own today, even for formal occa-sions. Bridesmaids themselves are wearing little hats instead of the picture variety.

Small Parasol Back.

London.—Perhaps it is due to the revival of the carriage and pair in fashionable London—but whatever the reason, the small lace parasol is here today. It is the sort that ladies once held up in their carriage; of black lace, for example, lined with peacock blue and mounted on an ivory handle.

Flesh Colored More in Style.

New York.—Flesh colored hose-ry is even more in style than heretofore, and the tint is more flesh like. The tinted stocking will be worn with white shoes—a very attractive combination.

Still Some Wristbags.

New York.—Wristbags still exist—despite the popularity of under-arm purses. One of the newer fash- ions is in bags of duvetyne in a pouch shape. It has little corded brown wooden Chinese squinting rather incongruously on top of the clasp.

Adorned Silk Gloves.

New York.—Silk gloves today are almost fantastically adorned with embroidery. In pleasant shades of tan and gray some of them have graceful gauntlets made up of a wide rounce of knife pleating.

Old-Time Blazer Again.

New York.—The erstwhile old-fashioned blazer is here again, more blasing than before. It takes the form of a light flannel sport jacket in purple and turquoise and black stripes, or in some such quiet color scheme as mustard and fuch-sia.

Spanish Anti-Kissing League To Stop Feminine Lip Salutes

MADRID (AP)—Kissing is going out of favor among Spaniards. The league against the prominent Paris kissing of children, formed some years ago, has decided to extend its efforts and to start a campaign against the kissing prevalent among women when they meet or take leave of each other.

The leaders of the movement assert that much hygienic good has been done by the restriction of the osculation of children and they express the opinion that women generally will welcome a similar measure, for, as they argue, in most instances kissing does not mean friendship.

FIRST METHODIST EPISCO-PAL CHURCH—The services of this Sunday will both have dis-tinctive features. At 10 o'clock a. m. the members of the Grand Army, and of the Relief Corps will wear in with the regular congregation. The pastor will preach a sermon appropriate to the occasion for Memorial Sunday. Mr. Sherwood Williams will render a solo entitled "I Singing in God's Half Acre," by Jackoff. The choir will sing "Gloria." Preaching at 11 o'clock in the evening. The Sunday School, under the direction of Mrs. Claud Cooper and Mrs. Cyrus Dimmock will render a children's day program entitled "The Magic Ring." This is a beautiful program, the characters of which will be indi-vidualized and interpreted by costumes as well as by the parts they take in the play. Preaching at 8 o'clock in the evening. The beautiful presentation and the movements of the participants will be harmoni-ous with the general thought and scheme of the entire program. The speaker and leader of the Men's Forum for the day's session is to be Mr. P. Jasmann of the Union Box company, who will use for his sub-ject "Christianity in Our Business and Our Work." This will be a most careful hearing and the men not otherwise in a church at this hour are invited to hear it.

CHRISTIAN CHURCH—Bible School is holding up in fine shape for the beginning of the vacation days. If everyone of our members who are at home will be faithful in getting to the service, we will be able to get through the sum-mer with no appreciable loss in attendance. Take the vacation when you can, but if at home be in church and Sunday School. The pastor will preach at the morning hour. Subject: "A Mystery Re-vealed." For the evening hour of preaching, we have a treat for all in the coming of Dr. M. M. Tins-Gospel, Our Evangelist. This two is composed of Dr. and Mrs. J. L. Montgomery and Arthur G. Mintz. They travel by car, having an abso-lutely equipped outfit. Selling Bil-lets, holding meetings, and giving sacred entertainments—they are on their way from California to the East. Their evening service, in ad-dition to the Bible teachings, will feature several musical numbers, a unique thing being a "musical saw." You are invited to enjoy this evening hour. Service com-mences at eight o'clock.—O. W. Jones, minister.

River Transportation in Yukon Aided by Lake Marsh Dam

DAWSON, Y. T. (AP)—Steam-boat transportation between White Horse and Dawson is expected to be opened a month earlier this year by means of a large dam which is being rushed to completion at the foot of Lake Marsh, 20 miles south of White Horse. When the project is finished the water will be impounded and carried through the shallow Thirty-Mile river between Lake Marsh and Lake Laberge, thence down the Lewis river into the Yukon river.

At White Horse 300 miles south-east of Dawson, the steamers con-nect with the White Horse and Yukon railway, which comes in from Shogway, Alaska. The Yu-kon river system above here also reaches the Mayo silver mining district, 300 miles east of Daw-son.
