**Rupert Hughes' "Reno" Classes as One of Finest Movies.**

Rupert Hughes has written and directed an unusual film play in "Reno" which was produced at the Goldenwyn studios and which opened last night at the Sherry theatre for a three-days run. The characters in "Reno" are vividly and realistically portrayed by such screen folk as Helene Chadwick, Lew Cooley, George Walsh, Carmel Myers, Hilda Hoppper, Dale Fuller, Kathleen Key and Ruth Hughes. Other well known people in the cast are: Marjorie Bonner, William Orlando, Howard Truesdale, Robert de Villiers, Virginia Loomis, Richard Wayne, Hubert Mack, Victor Pate and Jack Curtis.

The theme of the story is skillfully built about the confusing divorce situation existing in the United States. Guy Tappan, a New Yorker, is whirled through three marriages, and on the final when trying to gain possession of his children from his second wife, he runs into a series of serious obstacles in the shape of laws, assorted and otherwise. He finds that in some states he is not married at all, in others he is claimed by three wives, and in others he faces the penitentiary as a bigamist. A thrilling love story runs throughout, which builds the structure up to one of the greatest climaxes ever seen on the screen. Part of the picture was taken in beautiful Yellowstone Park and the great meadows form a natural background which words fail to describe. In all, "Reno" is one of the greatest pictures of the year. Comedy showing. "Paris Lights."

The Duke and Duchess of Atholl have been assisting Mr. and Mrs. Brown in every way possible, the Marchioness of Alisa has promised to act as lady-in-waiting to Mrs. Brown during her tenure of office, and two young society girls will be maids of honor. These are the honorable Miss Victoria Bruce, daughter of the late Lord Balfour, and Miss Christian Isabel Fleming, daughter of Doctor Archibald Fleming, who is a friend of John Brown.

## Just A Little Common Sense

We deal in tires. We buy the best we can buy regardless of price. We believe in quality first—not price. There is no such thing as a bargain in cheap tires. Not even the slightest chance to get more than you pay for. By the time you ruin a good tube, buy two and then blow our both, put in a few hours on the dusty road, lose your temper, call the manufacturer everything possible, all on account of a cheaply constructed tire, what have you gained?

Gates and Jack Tires are built in the west for western roads. Come look them over—the tires speak for themselves.
