## ANIMAL LOST BY POISONING

Poland China Owned by Stanley Shaw, of Clover Creek, Partakes of Squirrel's Breakfast.

CLOVER CREEK (Special) — Stanley Shaw lost a very valuable large type pure bred Poland China cow this week, from eating poisoned squirrels and poison that had been put out for squirrels. This is the second time that Mr. Shaw has had the misfortune to lose in this manner.

Edison McNamee, Fred Hoodley, Jim DeVore and son Max, took a trip to the hills Sunday, bringing home a nice bunch of fish. They report plenty of grass but all the streams lower than they ever saw them at this time of the year.

Mr. McNamee and son Edison were in La Grande Wednesday shopping and looking after some business interests.

Myron Grant and Jim DeVore were business visitors to La Grande recently.

Charley Mays of Walla Walla made another trip back to Clover Creek this week. He reports grain crops in general looking very badly on the other side of the mountains and in some instances they had burned so badly they were past saving even if moisture came soon.

Len Warnick was a visitor to Clover Creek Monday looking after some business interests.

A slight shower and threatening weather at this time is very encouraging for the farmers.

### SMITH BROTHERS MAKE FAMOUS STOMACH REMEDY

Years ago when the Smith Brothers placed their M. A. C. It is the old story of honest merit achieving success in spite of every obstacle. Stomach sufferers who used M. A. C. found lasting relief and told others about it. That's why the demand for this remedy has continued to grow year after year.

### SULPHUR IS BEST TO CLEAR UP UGLY, BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or discomfort. A little jar of Rowe's Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.

### RAIL ENGINEERS FINISH

EUGENE, Ore. — Robert Neal, Leslie Hinkley, Walter L. Melton and Forrest Meyer, engineers employed on the new line of the Southern Pacific under construction over the route of the Cascade between Eugene and Klaskan Falls, paid a fine of \$5 each in Justice of the Peace Wells' court for allowing a camp fire to get away from them a few days ago.

The men were notified of the charge against them and telephoned to Judge Wells, asking if they could plead guilty and send their fines by mail. The judge consented. Complaint was made by Forrest Reed, fire warden.

Russia claims Germany owes her an apology, so Germany may demand a longer time in which to pay it.
