

## Dress Well And Succeed

LOOK IN A MIRROR AND SEE IF YOU PASS INSPECTION

If you don't there's a reason—lack of Pride-in-Appearance.

If you're a little ashamed of what you see—figure out how easy it would be to improve your appearance—how your personality can best be served through the medium of correct apparel. Look over your clothes and note where replacements are necessary—find out the weak spots and immediately strengthen them.

You probably see that your suit needs pressing, and has a threadbare look; that your necktie is wrinkled—and out of date. Your shirt, collar, hat, shoes and socks are out of gear with you and the times.

In short, it's time you spruced up.

Take another look in that mirror and ask yourself if a neat appearance is responsible for success, and then decide whether you're going to be one of a crowd—or lead the crowd. Good clothes will aid if you're out to lead.
