 In the old days a doctor's diagnosis didn't consist in reaching for a hypodermic needle.

RED PEPPER HEAT STOPS BACKACHE

The best of red peppers takes the "heat" from a sore, lame back. It can not hurt you, and it certainly ends the torture of one.
 When you are suffering so you can hardly get around, just try Red Pepper Rub, and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers.
 Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.
 Ask any druggist for a jar of Bowles Red Pepper Rub. Be sure to get the genuine, with the name Bowles on each package.
