KELSO WINS EASILY

VISITORS HAD SOFT CONTEST

Pirates Drop Third Game to Kelso 9 to 2 Due to Airplane Journeys.

(By SCOPP)

Kelso 9, La Grande 1.
Kelso 6, La Grande 2.
Kelso 9, La Grande 2.

Pirates are fine fighters when they can use their outlaws and planks against men of their own class but when a pack of Timber Wolves board their ship, the old weapons seem ineffective. Aggie and on the alert for every chance, the Kelso snappers wrecked the Pirates' third and last attack yesterday afternoon and sent them back to their supper with the cold chill of three defeats mixing with the soup. The score yesterday was: Kelso 9, La Grande 2.

It seems like the oftener the Kelsonians meet the Pirates the easier they take 'em for a row of chips. A couple of weeks ago the Blue Mountain league leaders outplayed the visitors but lost due to breaks. Wednesday the Pirates were beaten quite easily and yesterday the slaughter was merely play for the Timber Wolves.

Started Out Fine.

During the first four innings, however, Thursday's contest resembled a ball game in every way. Both teams were on their toes and taking advantage of every chance. Spee Keene allowed one hit and no score and Davis allowed nothing.

But in the fifth inning, the Wolves closed in and the massacre was on. Ten visitors went to the plate that inning and six of them came home after touching first, second and third base as the law prescribes. Spee went up in the air in the fifth and, probably feeling that he needed company, Helms and Peterson accompanied him. With one down Eubanks went to first on Helms' error and Davis scored him with a three-bagger. Turner also went to first when Helms booted his second consecutive chance and from there on, after Peterson misplaced in the outfield when he should have been behind the bat, muffed one, the bats of the Wolves rang regularly. Three singles and another three-bagger were chalked up until finally the home team, mighty due to Red Alexander's beautiful work in centerfield, retired them.

Pirates Score Twice.

The Pirates came back a wee bit in their half of the fifth and scored twice on two errors and a sacrifice hit. Again in the eighth three bingles by La Grande filled

the bases but a neat double play, Davis to Eubanks to Eetermeyer permitted no one to score.

Kelso added their other three runs to the total in the eighth due to a walk, an error by Thomson and two singles.

In the first, second, third, fourth, sixth, eighth and ninth La Grande played good ball but in the fifth and seventh innings they looked like a bunch of sandlotters—except Alexander.

Alexander Stars.

Alexander, playing his natural position in deep center field, was the most brilliant performer of the day. His work, compared with the rest of the Pirates' outfield, was as refreshing as ice water to a traveler on the Sahara. Red accepted four chances perfectly and two of them were about as hard to handle as an outfielder can tackle. Red took 'em both on the run and they stuck to his muffed foot glove with the tenacity that flies are supposed to. Incidentally, Red made one of the two scores for La Grande.

Davis' pitching for Kelso was beautiful. Six strikeouts fall to fully tell the tale as he had fine support behind him and not a one of the four hits registered against him were for extra bases. Spee Keene went good until the fifth. Finally he yanked himself in the seventh and Melnick, 44 years young, held the visitors to one single during the remainder of the game. Mac had 'em eating out of his hand in the eighth and ninth.

Ward, a Haskell player who played backstop yesterday, performed well behind the bat but was weak with the stick and his legs to second were somewhat erratic. Peterson should have been catching instead of Ward.

Sunday La Grande goes to Dayton to make an effort to defeat the Blue Mountain league regular champions.

DICK HANLEY IN LA GRANDE

For several years North Central high school of Spokane, at ways had one or more of the Hanley boys in molestation helping make football history for the school. The Hanleys were a famous family and were known at one time throughout the northwest as the hardest hitting bunch of boys that ever handled a platoon.

Dick Hanley, who was in La Grande yesterday on his way from Lawrence, Kansas to his home in Spokane has made a considerable name for himself both as an athlete and a coach.

Dick was quarterback of the famous 1917 Mazon Island Marine team that went through the entire season with only one defeat and that at the hands of the Great Lakes Training station. Carl Ladd, who coached La Grande in 1921 was also on the team.

Hanley signed a contract with Pendleton in 1921 after his release from the service and turned out one of the strongest football teams that Pendleton ever had. It was scored on only once and that time by La Grande in the final game of the season, played on Thanksgiving at the Round-Up city.

Lately Dick has been plotting the Haskell Indians of Lawrence, Kansas, through a very successful season. While there he developed the great John Levi, mentioned by many sport writers last year as an all-American star.

With Hanley yesterday was E. H. Ward, also quite an athlete who has been playing for Haskell this year. Hanley will spend the summer in Spokane and Ward is on his way to his home in Yakima, Washington.

DOCTORS TOLD HOW MEN AVOID ILLS OF LIFE

CHICAGO, (AP)—A nip of "something strong" before a meal is not one of the habits hospital doctors are successfully teaching, taken at such a time, it is incentive to overeating which is a "national sin," declared Dr. H. H. Brysdale of Cleveland, in an address before the American Medical Association.

Dr. Brysdale's subject was how a man at the apex of his achievements may avoid the penalty of years of high pressure living and escape such ailments as apoplexy. "Playing golf was among those having a place in the scheme of mid age hygiene.

"The frenetic financial habit, which will not allow a patient to relax and forget his responsibilities when necessary, can be blamed for many serious illnesses and fatalities," said the doctor. "The national sin of overeating, and especially of meat, is one of the heaviest burdens an elderly man asks his body to bear. Alcohol, taken before meals is one of the causes of overeating. The abstinent disappearance of the chronic alcoholic will do much to lower the death rate from arteriosclerosis.

"Make no compromises with such patients, or you will fall in your mission, which constitutes an appeal to their reason for a sane and rational mode of living."

Salt Lake Man Discovers Natural Gas Well in Yard

SALT LAKE CITY, (AP)—The much heralded high price of light gas and fuel means absolutely nothing to Henry Nebeker of Salt Lake City, for he has a natural gas well in the rear yard of his home. Drilling to a depth of 525 feet, Nebeker encountered enough gas to take care of all his home needs and he has a 300-gallon water tank for storage purposes.

Nebeker has estimated that the flow from his well is about 24 cubic feet per hour, but he has made no attempt to supply other residents of his neighborhood.
