

IT'S THE CUT OF YOUR CLOTHES THAT COUNTS

Variety

Tastes differ; if it weren't for this fact a clothing merchant's job would be as easy—and about as interesting—as selling postage stamps.

As it is, we always have the greatest possible variety here; if a man wants something in a colorful necktie, we have it; and we are also ready to satisfy the conservative, the man who wants a neat effect in black and white. And everybody in between!

We are proud of the variety of good merchandise in this store. It's one of the main things that hold our customers to us.

When you come in to buy a suit, you will see a large assortment of the finest that America has to offer—Society Brand. You'll find the fabric and the model you want.

The Judgment of Our Customers: Our Standard of Quality

We have never taken any pleasure in trying to force any unwelcome goods upon any customer at any time. We study constantly to know what our customers want and their response to the highest quality has been extremely gratifying. This rule holds in all our fountain products.

fruits. We know it to be the richest in butter fat, the purest in all its ingredients, the most evenly frozen, and most deliciously flavored, and its constantly growing popularity gives us our confidence in featuring it and every syrup we use is of the very best possible standard of purity and true fruit flavor, and the crushed fruits are the most carefully prepared from thoroughly ripened fruit. Would Be Dodging His Duty To Keep Silent

"Uncle Billy" Gray Feels It His Duty to Tell How Tanlac Helped Him. W. J. (Uncle Billy) Gray, of

Arkansas City, Kans. is another man of wide popularity to declare himself sparsely on the side of Tanlac.

"Uncle Billy" has lived in Arkansas City more than half a century and has an unbroken record of 47 years as constable, which makes him the oldest peace officer in point of service in the state.

"I feel that I would be dodging my duty to suffering humanity," said "Uncle Billy," "if I did not let it be known what a wonderful medicine I have found in Tanlac. I had been taking everything and getting nowhere, but my very first bottle of Tanlac had me well on the road to good health.

"Two years of stomach and intestinal troubles had me so weak and exhausted that I could hardly move about. In fact, I was all out of fix, suffering day and night, and felt that I was about done for.

"Tanlac arrested my troubles, halted my down ward course and then my energy and strength turned like a tidal wave, so to speak. Since then, two years ago

now, the occasional use of Tanlac has kept me in good trim. Tanlac is certainly without an equal in the world."

Tanlac is for sale by all good druggists. Accept no substitutes. Over 40 million bottles sold.

ter 65, General Laws of Oregon, 1921, to open any closed season or close any open season in any county or district of the State of Oregon for the hunting, shooting, killing, taking or having in possession, alive or dead, in whole or in part, of game animals and game birds; therefore,

Notice is hereby given, that the State Game Commission of the State of Oregon has made and entered of record and does hereby issue the following

Order:

That for the purpose of protecting certain species of the wild game life of the State from extermination, and for the purpose of propagating and increasing such species of wild game as hereinafter mentioned, the State Game Commission of the State of Oregon hereby gives notice that the open season for hunting, shooting, killing, taking or having in possession, alive or dead, male deer with horns throughout the entire State of Oregon, as defined in Section 10, Chapter 153, General Laws of Oregon, 1921, shall be and is hereby declared to be closed for the year 1924.

Notice is also given that the State Game Commission of the State of Oregon hereby declares an open season for the hunting, killing and taking of male deer with horns throughout the entire State of Oregon. Said open season shall be and is hereby declared to be from the 10th day of September, 1924, to the 31st day of October, 1924, both dates inclusive.

Notice is also hereby given that the change in the open season made by this Order in nowise affects the bag limit or other regulations provided by law respecting the hunting, shooting, killing, taking, or having in possession alive or dead, in whole or in part, such game animal, namely: Deer.

Any and all persons hunting for, shooting, killing, taking, or having in possession, alive or dead, in whole or in part, any deer in violation of this Order shall be prosecuted as by law provided.

Dated at Portland, Oregon, this 14th day of April, 1924.
