GOVE SUMMER SCHOOL ENDED

GOVE (Special)—The summer school at Gove is closed. The last lessons were held Friday morning and then the activity of breaking camp began. The school has been in session for the past ten days, with an attendance of from forty to sixty people. The morning hours have been given over to diligent study of the Bible, while during the recreation period in the afternoon the hours were spent in a very interesting manner.

All left on Friday afternoon except Bishop and Mrs. Remington, the bishop's secretary, Miss Robinson, Reverend Lindley Miller of The Dalles, and a few people who are traveling with Reverend Miller to Hood River and The Dalles. Saturday morning those few had left and the grove had assumed its old air of quietude. The Baptist Sunday school held a picnic on Thursday on the Duncans ranch near Mill creek. About forty-five were out to enjoy the day's outing. Among those present were Mrs. Alice O. Allen, with her Bible class, Reverend J. W. Clayton, and the young people's senior class, M. Morse, with the junior boys, Mrs. A. E. Merban and the junior girls and Mrs. Nettie Lorse with the primary class. There will be an ice-cream festival on the lawn of the Baptist

Klamath Men Ask Relief. KLAMATH FALLS, Ore.—The Klamath livestock association met here and adopted resolutions favoring a 32-mile strip along the Oregon boundary of northern California being released from the present foot and mouth quarantine, for livestock certified to have originated in this unaffected territory or to have been driven in from Oregon. Local livestock men felt that such modification of the embargo would assist southern Oregon ranchers who have been unable to move their stock from winter feeding grounds, particularly in the Tule Lake basin, where thousands of sheep and cattle are now facing dreary range conditions.
