er, declared Coach Fielding H. Yost, when he ended his career. "Kipke was the brain, the spirit and the fight of the Michigan team," wrote one Big Ten official at the end of the last basketball game. As acting captain, playing at guard, he directed the play of the team through his final season and was so successful he was picked at guard on almost all centers-free teams selected.

Kipke's record of winning nine letters is the first at Michigan made under the rules allowing but three years of participation in athletics, and the eighth man to win letters in three sports. Less than 100 of Michigan's thousand letter men have won letters in two sports.

Kipke will join the coaching force of the University of Michigan next September.

WALLA WALLA WINS SUNDAY

(Continued from page 1)

The only a list of hits and none of them got the Idaho-Oregon team anywhere but on bases.

Foebury and Culver, pitcher for Baker, were unable to hold the Pirates and as a result, coupled with several errors by the Queen City lads, the run-making was a star for the Seaside hurlers. La Grande got six of the nine runs in the first three innings of Foebury's delivery and the remaining three—two in the fifth and two in the ninth—off Culver.

Two Double Plays

The local infield worked like a million-dollar bunch Saturday, contributing two snappy double plays that helped to shut out the Baker team. The first one came in the opening inning when Belles lined out to Knight at third who caught Bates off first. The second double came in the seventh when Culver hit into a double play Clifford to Helms to Peckham.

Goldman hit out a home run Saturday off Foebury which, with five singles, two errors and a couple of sacrifices, gave La Grande the first six runs in the first and second frames.

Radio Weak at Sunset.

WASHINGTON (AP).—Summer afternoons are the worst periods for radio, the bureau of standards of the commerce department has found.

The announcement was made after extensive tests, which showed that during hot afternoons radio signals are weak and disturbances are strong.

Observations made on the strength of radio signals from high power European stations showed that the signals are weak at the hour of sunset at the European stations.

ADVERTISERS VISIT LONDON

World's Advertisers Are Gathered in England to Debate Problems.

LONDON, (AP)—Hosts of advertising men from all parts of the world, 2,000 alone are expected from America, are beginning to arrive here for the convention of the Associated Advertising Clubs of the World. The general sessions of the convention, held at Wembley Park, site of the great British Empire Exposition, will begin July 14 and continue to July 18.

From India, Hawaii, South Africa, New Zealand, Australia, Belgium, France, Norway, Holland, Sweden, Italy and Czechoslovakia delegates of the advertising fraternity will head their way to the world's largest city to confer on the latest developments in merchandising and advertising, to lay plans for the future and to hear the opinions of famous statesmen, business men and advertising experts.

The list of prominent men who will address the convention includes Treasurer Macdonald, American Ambassador Kellogg, Lou Hoiland, president of the Associated Advertising Clubs of the world; F. W. Beatty, president of the Canadian Pacific Railway; Lord Balfour, former British banker; Sir Charles Higham, Lord Burgham, Sir Eric Geddes, Herbert Morrison, Harry Tipper, Winston Churchill, Sir Philip Lloyd-Greaves, Lord Leverhulme, Lord Kitchener, Edward A. Flynn of Boston, Sir Robert Horne and Stanley Baldwin, former British premier.

In addition scores of speakers will discuss the more detailed questions of the various phases of advertising in the general meetings of which there will be many. Every known variety of advertising will come up for consideration.

The Prince of Wales has extended his patronage to the convention, and the Lord Mayor of London, with the Lord Mayors of virtually all of the principal cities of England, Scotland and Ireland, have given their official cognizance.

Complete arrangements have been made for hotel accommodations for the delegates on their arrival in London and Lord Ashford, on behalf of the London Underground Railway Company, has granted to each visiting delegate a free pass for the week on all London underground trains and London buses.

The festivities will start with a national welcome at Royal Albert Hall on Saturday, preceding the opening of the general sessions, at which time it is expected that most of the delegates will have arrived. On Sunday 2,000 seats have been reserved at Westminster Abbey where a special sermon will be preached by the Lord Bishop of Durham.

The chairman of the general sessions will be Viscount Burnham, president of the Empire Press Union, and proprietor of the London Daily Telegraph.

The opening address Monday morning will be made by Premier Baldwin will be on the program Thursday.

BAKER, ONE OF THE BEST in fourth place in the Idaho-Oregon League, defeated Boise, in second, here yesterday six to two. "Coutly errors lost the game for Boise."

EMMETT TAKES CLOSE ONE. WINNER, Ida. (Special)—Emmett frankly admitted that the game was a real one and the toughest of the season here yesterday when the champions won 2 to 0 from the Wesler team. Both Erickson, of Wesler, and Kellett, of Emmett, pitched wonderful ball.

The report in circulation that Kellett had ruined his arm and would not be able to pitch any more this season seems to be entirely out of order—witness his no-hit, no-run game Sunday.

PAYETTE BEATS ONTARIO. PAYETTE, Ida. (Special)—Payette defeated Ontario Sunday in a slow, poorly played contest, marked by

TEACH OTHERS WINNING WAY

Wolverines' Super Athlete, Harry Kipke, to Join Missouri Coaching Force.

ANN ARBOR, Mich. (AP)—Harry Kipke passed out of Michigan athletics a few days ago when the university awarded him a bachelor of arts degree. "Michigan's greatest athlete," many have called him, sometimes not forgetting to pay tribute to him as a man as well as an athlete.

A night or two before graduation he was presented with a Michigan blanket with three blocks "M" in one corner. Under each "M" were three stars, indicating he had won three letters in football, three in basketball and three in baseball. No man in Michigan athletics has won this special combination of letters.

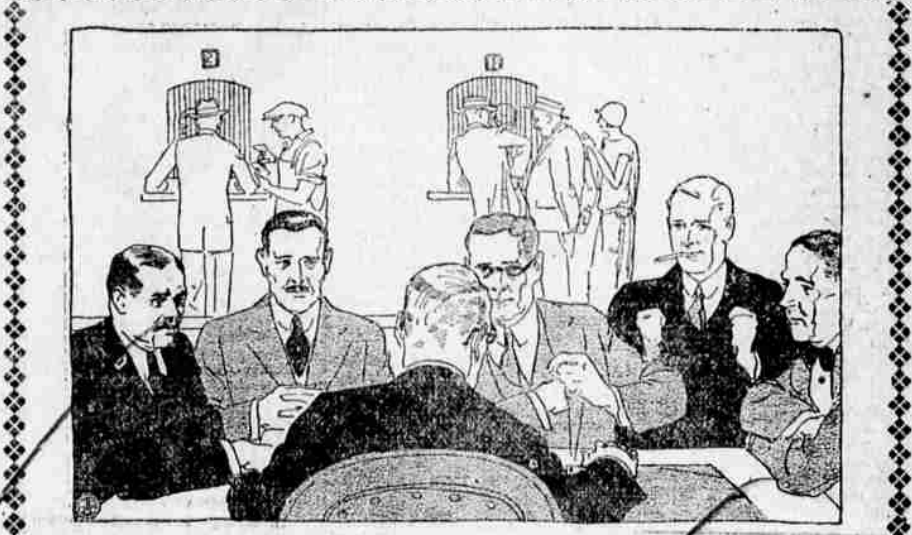

Only two others have won the total of nine letters.

Kipke's actual passing from athletics had in it some of the dramatic qualities found in novels, in his final conference game against Wisconsin, in his final time at bat with two on, he hit a home run. Then in his final game in a Michigan uniform, this time against the team of the Michigan university, Janes, which he came to bat in the eighth inning.

Boy Scouts from Lansing, his home town had made him an honorary member of the Boy Scouts preceding the game; had given him a watch, bought with pennies saved, and they called upon him for a home run. The bases were filled. Kipke drove the ball so far into left field that he was turning third base when the outfielder caught up with it.

Kipke starred in high school at Lansing, playing on a football team that never met defeat. At Michigan, the Wolverines lost only to Ohio, in 1921, while Kipke played with them. He was selected by Walter Camp as a member of his All-American football team in 1922, his best year.

Kipke was Michigan's best kick-
