WOMAN CHAMP LEADS FIELD

CHICAGO (By The Associated Press)—Rushing through pools of water and playing much of the time in a driving rain, Edith Cummings of Chicago, national women's golf champion, Monday won a medal honor in the qualifying rounds of the women's western golf championship at Onwatsala in

scoring 42 on each nine for an 84, three under par. The nearest any of the other 151 starters could come was 93, which Bernice Vail of Ashland, Wis.; Mrs. Lee Mida and Mrs. E. C. Lott of Chicago tied for second place. Mrs. Dave Galt of Memphis, finished in fifth place with 99, while Mrs. J. K. Taylor of Chicago was sixth with 100. Virginia Day of St. Louis and Dorothy Hubble of Chicago were next with 91 each, while Mrs. Melvin Jones, Chicago, city champion, took 92. Miriam Burns of Kansas City, defending champion, although she did not have to play in the qualifying rounds, faced the elements with the rest of the women and scored a 92, being with Louise Furlsey of Youngtown, O., runner up to Miss Burns last year, and Mrs. Elaine Rosenthal of Dallas, who has held the title twice. Among the leading players who failed to get into the championship round were Mrs. Elsie McEvoy of Detroit, who took 107; Mrs. E. E. Hayward and Mrs. J. H. Armstrong of Jackson, Miss., who navigated the course in 102 strokes; Mrs. R. C. Greenhouse of Kansas City, who was not quite so good as those in making the links, taking 104; Mrs. Myra Holmer Pitchard, Battle Creek, Mich., who won the title several years ago when rubber floors were not required, had to take 105 strokes Monday. Although the women's western tournament has experienced a decline during the last three years, an equally rainy day, conditions have never been as bad as Monday. A torrent of rain fell Monday night, making it take several acres in extent through the middle of the course. By starting time this morning much of this water had drained away and after a wait of two hours the players were started on their circumnavigation of the links. No course had the front fair not well suited than it began to rain last, making the conditions slippery with the course with the course that a couple of the players, in making the swing, lost their footing and fell in the mire but in spite of all these adventures and disappointments every one of the 152 players took it out and finished equally covered with mud if not with glory.

Georges Earl Milstead is a young pitcher who is making good with the Chicago Cubs. George Earl is the only mail order pitcher in captivity. Last year George Earl got down and wrote all the big league managers about himself and asked for a trial. The Cubs decided to "order" him. It was a fortunate decision. George Earl seems to have major league ability.

Recommend Spray Combinations
Lead arsenate may be combined with Bordeaux mixture, nicotine sulfate, cold preparation oil emulsions, and other well-buffed tim-

sulfur, Oregon cold mix, or dry mix lime and sulfur. When combined with liquid lime-sulfur the latter is first diluted to spraying strength and has added one pound of hydrated lime or equivalent amount. Two before application the lead arsenate is stirred in. When two or three classes of plant troubles—eating insects, sucking insects and fungus diseases—are present at the same time the grower can save lots of time and labor by combining their sprays and controlling enemies with a single application.

\$100,000 To Loan

On farm land. No commissions. No examination charges. No stock subscription requirements. If your application for a \$1000 loan is approved you will receive a check for \$1,000. No residence restrictions. No delays. The loan is made for a 70-year period but may be retired in whole or in part at any time. Annual payments.

My client desires some extra cash business and to secure same offers unusual inducements. It is an amortization loan, that is, a portion of the principal is retired each year and the total amount of your payments under this plan is less than the total amount you would pay for a similar period for a straight loan at 4% (which of course is not obtainable). Applications considered from Washtowa, Union and Baker counties.
