MAM'M POP

HELLO OLD SCOUT! - I AM ADDRESSING YOUR FUTURE GAS KING. I BELIEVE - CONGRATULATIONS ON YOUR BRILLIANT DISCOVERY - IT IS THE TALK OF THE TOWN -

I ALWAYS KNEW YOU WOULD BECOME ONE OF OUR LEADING CITIZENS AND FINANCIAL MAGNATES IF OPPORTUNITY EVER KNOCKED AT YOUR DOOR BUT LITTLE DID I DREAM THAT YOU WOULD FIND YOUR CALLING IN THE REALM OF GAS -

BUT PERSONALLY, I FEEL YOU HAVE TAKEN A BIGGER BITE THAN YOU CAN CHEW BY TACKLING THIS SINGLE-HANDED - YOU KNOW A MAN'S SUPERIORITY IS OFTEN DETERMINED BY ASSOCIATING IN A BUSINESS WITH MEN OF GREATER MENTALITY.

WELL, I'LL THINK THAT OVER LUCK!

BY CRACKY - I SUSPECTED THAT YOU HAD AN AXE TO GRIND WHEN HE PUT HIS BRAINS ON THE SCALES OF EQUALITY WITH MINE - BUT THAT'S OUR POOR BAIT TO CAST OUT TO ME - I KNOW THE STORY OF LITTLE RED RIDING HOOD TOO WELL.

Noted Movie, "The Land Of Whispering Hope," To Be Shown Here.

Any producer can make a film patterned after another, according to the words of one of the most noted motion picture directors in the country today.

The public demands something original, something different, and Burr Nickle, noted explorer and pioneer film producer has answered the call. He is to bring his film here and show it.

Nickle has been in the theatrical business all his essential life and has made a careful study of the "psychology of the audience" in an effort to determine what registers the most satisfaction. It was because careful observation proved to him that the ordinary motion picture fails to entertain an audience that decided him to make an extensive tour to far corners of the earth to obtain that which is the public demand.

"The Land of Whispering Hope," which is to be seen with Nickle at the Arcade theatre Monday and Tuesday is the result, according to press critics, and Burr Nickle has succeeded in making a picture so entirely indistinguishable from that even the most skeptical will be compelled to admit that motion pictures have a greater destiny.

"Phantom Justice" Shown at Sherrys Today and Tomorrow.

During the filming of "Phantom Justice," the most talked-of photograph of the current season, which comes to the Sherry theatre, Richard Thomas, the young producer-director who is responsible for the production, was honored by attorneys with unsavory reputations and "offers" in general to "buy off" as they called it.

Strangheart, the wonder dog, is scheduled for an appearance at the Star theatre for three days, beginning Friday in his latest First National picture, "The Love Master." It derives its title from the fact that in this play Strangheart selects his own master without regard to who has legal title to him.

The story is laid in the sparsely settled regions of Canada and centers about the mystery of the young man who has arrived with Strangheart and ends with the solution of the mystery and the love victory of the young belle of the settlement along with the boy from the States.

A dog race, filmed during the progress of a real one contested by the best dog teams in Canada (see prizes offered by Laurence Trimble and Jane Murfin, producers of the picture, provides some real thrills. Strangheart's love idyll provides real comedy, and for show drama the fight waged by Strangheart against death on behalf of his

Mickey Bennett Hailed as New Screen Child Wonder.

Jackie Coogan has a rival. In the person of little Mickey Bennett, seven and slightly freckled, the screen has a new child wonder.

We leave the picture public to make its own decision in this matter after viewing "Big Brother," an Allan Dwan production of the Rex Beach story, opening at the Arcade theatre today for a three-day run.

Mickey not only is the leader of a gang in this picture but he is also screen playboy. Ever since he essayed to be young Thomas Meighan in "Cappy Ricks" two and a half years ago he has been in great demand in kid parts. The good luck star that follows Meigh-

Satin Is Favored In Summer's Black Shoes

For those semi-formal occasions and costumes of summer, the Satin Pump is exceedingly smart. They harmonize perfectly with the navy blue or black, or even the lighter, yet subdued shades which are so much favored for the semi-formal occasions of the season.
