SALES REACH HIGH MARKS

State Secretary's Report Shows Increase in Sale of Motor Fuels.

SALEM, Ore. (Special to the Observer) — Mounting to over a quarter of a million dollars, the state tax on gasoline and distillate collected on sales made during June, 1924, exceeded the revenue received from this source for any single month since the law has been in operation. This is shown by a statement just completed by Secretary of State Sam A. Kozer.

June Taxes were remitted on 5,595,531 gallons of gasoline and 233,993.5 gallons of distillate, amounting to $262,691.84. The sum of $3,129.33 resulting from the operation of the law of 1919, imposing a tax of one cent per gallon on gasoline and one-half cent per gallon on distillate, which $176,370.69 was returned under the additional tax law of 1921 as amended in 1923 providing for a uniform rate of two cents per gallon on all kinds of motor vehicle fuels. The sales of gasoline represent an increase of approximately 28 per cent over those reported for June, 1923, distillate sales having been about the same as last year. The previous high record for gasoline sales was reached in August 1923, at the height of the tourist season, when a total disposition of 8,518,823 gallons was reported.

To date the motor vehicle fuels tax measures have brought to the state treasury $6625,651.75. Of the amount collected under the law of 1924 there has been returned up to July 31, 1924, the sum of $171,910.32 to operators of farm tractors, motor boats, commercial stocking establishments, etc., pursuant to that provision authorizing refunds on such motor vehicle fuels as are used for purposes other than in the operating of motor vehicles upon the public highways. For the first six months of 1924, gasoline sales reported aggregate 27,325,983 gallons, distillate 1,448,160 gallons. The total tax paid the state thereon amount to $1,175,416.81.

Motor vehicle fuels taxes are credited to the state highway fund, becoming available for expenditure in the construction and maintenance of state highways.

HUNTS LETTER

(Continued from page 1)

on former congressman from Idaho, now a right-hand assistant of Chairman Shaver at Democratic national headquarters.

Dixon was born in '65, the year of Abraham Lincoln's first campaign.

Naturally his father reported him to grow up a devout Republican. With his name, such an outcome must then have seemed inevitable.

Instead, however, Lincoln is found in the very center of the Democratic stronghold, but surely heading aid and comfort to actively assisting those putting the defeat next November of "the party of Lincoln."

To such paradoxes do political patronymics lead.

* * *

From all the intimations attending the "notifications" of President Coolidge and John W. Davis that they had been nominated for president by the Republican and Democratic parties respectively, a visitor from Mars might properly conclude that they were wholly out of touch with current comment and never read the newspapers.

It is does nothing else, the La Follette Independent candidacy may be worth while if it demonstrates that a candidate may launch his candidacy without the binding formalities of an "official" notification.

When officials of the Conference for Progressive Political Action which nominated La Follette, were discussing what to do about a "notification," Bob and Dixon said:

"You don't have to notify us. I've read about it in the newspapers."

F. M. Purdy Promoted

PENDLETON, Ore.—F. M. Purdy, law enforcement officer on the Umatilla Indian reservation during the past ten years, a member of the Indian service for more than 30 years, has received notice of his promotion. He has been ordered to report at the Uintah reservation agency in Utah, Superior, I. The promotion carries an increase in salary.
