GUARD CHICKS FROM SKUNKS

Promise People Bothered
by Skunks and Porcupines
Which Destroy
Chickens and Gardens.

PROMISE. (Special)—The people here have been having to watch their gardens and chicken houses. The porcupine likes most vegetables but seems to be especially fond of corn and the skunk has a weakness for chickens. These pests are numerous in this vicinity.

Alfred Carper's children have been sick for the past week. Tina Downs passed through here a few days ago on his way home at Powwaka.

Mrs. A. S. McDonald and Mrs. W. B. Hancock were visiting the first of the week with Mrs. Truman Poulson.

Boyd Carper has been helping Marshall Richardson, who is making preparations to build a new home. Mrs. Cecil Goe and daughter, Lucille, who have been in California for several months, are now with Mrs. Goe's parents, Mr. and Mrs. Jesse Garrett, here.

Ethel and Lillian Carper have returned home after visiting for some time in La Grande. Mr. and Mrs. C. T. Lindsay of La Grande are visiting friends and relatives here.
