## Kithcart Was Losing His Strength Quickly

When He Turned to Tanlac And Got Relief.

"After hearing so much about Tanlac I thought it must be good medicine, but I had no idea it was so fine until I took it myself. It is the striking statement of J. B. Kithcart, 1411 W. 24th St., Seattle, Wash.

"Six months ago my appetite quit, my digestion broke down and I had a constant aching feeling in my stomach that got on my nerves something awful. Sometimes I never wanted to eat a thing and my strength was getting away from me fast.

"Tanlac is for sale by all good druggists. Accept no substitutes. Over 40 million bottles sold.

## WASHINGTON IS LEADING TODAY

Washington swung back into the lead in the American league yesterday by taking one from the Yankees in six innings at the new playground. E. F. G. Bane took his last hit and hit for 41st and 42nd home runs of the 1921 season but despite the effort of Swart's two circuit courts a costly error sent the Senators ahead, Washington led the Yank pitchers freely, getting 18 safe hits.

Boston defeated Philadelphia twice and Cleveland broke even with Chicago in the latter American league games. The final game of the Cleveland-Chicago double-header went 10 innings.

Phillies Take Two In the national league the seventh place Philadelphia team stepped on the Boston centerfield for two wins, one a shut-out. Chicago took two from St. Louis and Pittsburgh in second place, was defeated by Cincinnati, heading the second division. New York and Brooklyn were idle.

## WOMEN OUT TO DEMAND RECOGNITION AS BARBERS

INDIANAPOLIS (AP).—The outstanding question to confront delegates to the convention of the Journeymen Barbers International union when they assemble here Sept. 3 is—shall women be permitted to the ranks? For 15 years women have sought to become members, according to Jacob Fischer, secretary, but the vote has always been against them. But with women customers flocking into the shops for bobbs, union officials admit that a decision will be more difficult at this convention.

## SHEEP PROFIT ENCOURAGING

THE PARK (Special)—Sheep in bands belonging to Wayne Phillips, Lower Powder, John Colton, Keating, Victor Wilson, Atchison and Charles Juby, Keating, have all gone back in the mountain fall range since the cutting out of the last shipment of lambs. The crop of lambs has been extraordinarily good in the report by some of the shippers. It is believed that Mr. Juby has broken this year's record in the number of lambs by percentage. He shipped 3484 lambs out of 1500 ewes. Mr. Juby bought this band of ewes at 1.25 & Jones, which this year produced wool and lambs to pay for themselves and a margin of about \$200 profit.

G. C. Toerner was commending for the duty outfit going up back of China Gap with sheep Wednesday.

H. E. Gerhardt was a helper with the duty band of sheep that passed the Park Wednesday.

Mr. Jones, Baker forest ranger, went through here on his way to the camp at the Big Meadows. Extensive work is going on in cutting new trails for the forest service. Mr. Jones is overseeing the work. He came back Wednesday, going to Cove to attend a meeting concerning a road that is wanted there in the forest reserve.

The Indians have come home from their camp at the Forks. They captured and killed a large black bear with their spears. They also gathered a lot of wild cherries. These are the cherries and they collect them for the winter.

Lee Oliver is down from the mountains. He went home to Lower Powder Wednesday. The threshing machine will have to come to the following places: Joseph Lay, George Meador, Clarence Vandover and Frank Wiggestown. This will be when they come back from their work in the valley.

200 LOCOMOTIVES SCRAPPED (HAGENAU, Alsace. (AP).—A "monstrous" of 200 heavy-duty locomotives of the latest type has been installed here by French authorities. These engines, delivered by Germany to France on Alsatian roads, built by the Germans, because French superstructures are not strong enough to stand the Teuton strain. To handle the traffic in Alsace only a score of them were needed.

## Window shades that wear and wear Brenlin

Brenlin, in a wide variety of colors, gives you a rare, rich beauty—and twice as much wear for your money. The quiet beauty of a Brenlin window shade endures because, from first to last, Brenlin is made for wear as well as looks.

It is made without a particle of the chalk or clay "filling" that crumbles and causes cracks and pinholes in ordinary shades. The colors, of highest grade, are applied by hand; they resist fading by the sun and will not show water spots.

Let us show you the many rich colorings of Brenlin. Let us show you how little it will cost you to shade your windows with beautiful Brenlin.

Ask us for information on how to shade and decorate your windows correctly and give your home a new charm. Let us send a man to measure your windows, help you choose colors, and give you estimates on costs—without obligation to you. Just phone.
