If you are not ready to have it set up, Carr will hold it and deliver it at any time you desire. But Buy Now and get your coal Free!

### PERFECT UNIVERSAL

The heater illustrated above is a small furnace or room heater—a double jacket with air space sufficient to fill a nine-inch heater pipe with a heating dome, produces the most powerful circulation. New nickel trim—a wonderful heater and fuel saver.

### WESCO CIRCULATOR

The heater illustrated above is our answer to a demand for a strictly high class parlor heater, with circulating construction and a combination stove with duplex grates that is equally suitable for wood or coal. This stove conserves fuel and is conducive to health. You must circulate the air in your rooms.

### YOUR OLD STOVE TAKEN IN EXCHANGE

During this exhibit we'll take in your wasteful, broken-down old range or heater and on the strength of it make you an especially liberal allowance on your new purchase. Make your own terms on balance.

### Bargains In Used Stoves

We have a variety of rebuilt stoves—coal or wood—which have been graded in which we will sell at very attractive prices. Some of these stoves are as good as new and if you are looking for a real stove bargain we have it.

## Cut A Slice Off Your Coal Bill

THIS WAY—

- 1.—Join our Stove Club. A small payment makes you a member.
- 2.—You will receive Free the amount of coal specified above—a neat slice of your coal bill cut off in a stroke.
- 3.—You will save on fuel through the winter because with one of our stoves in your home you will be cozy, no matter what the outside temperature. Your coal bills will be less, because all our numbers are built on the system of circulation.

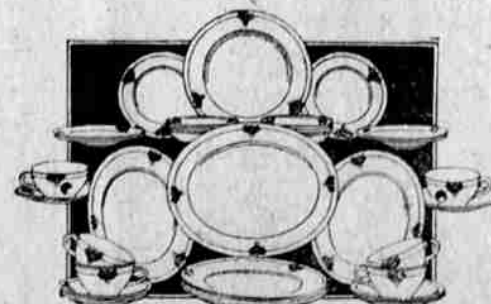

### The Range Beautiful

SANITARY - WASHABLE  
 INDESTRUCTIBLE

Universal Porcelain Ranges must not be confused with ordinary ranges. A scientific perfected process makes this porcelain as hard as flint. It will retain its lustre and beauty to the end. It will not absorb grease. Just wipe it off! It is as clean and sanitary as a china dish. Universal Porcelain Ranges are made of gray cast iron throughout. Why endure the bothersome old style, dirty stove when at this time, because of these unusual offers it is easy to enjoy a bright new range. FREE COAL with every new range during this demonstration.

## Beautiful Dinner Set FREE!

A beautiful 26-Piece Dinner Set will be given away with the purchase of any used range or heater or new one not included in our free coal offer during this demonstration. Regardless of the price you get one of these Dinner Sets absolutely free—Act at Once! A small payment down entitles you to take advantage of this offer.

### ESTATE HEATROLA

The movement of air is so gentle you can't tell there is one, yet 16,000 cubic feet of air are circulated every hour. In short, Heatrola gives you all the advantage of a furnace, yet requires no more fuel than a stove.

### WESCO RADIUM

A popular heater for the smaller homes. Combination with duplex grates for burning wood or coal. Heavy polished steel body, carrying a wealth of plain nickel trimmings. This stove is a real answer to a combination heater.
