DODGERS WIN 14 STRAIGHT

Brooklyn's Rush in National League Stirs Up Natives; First Place Is Expected.

NEW YORK (By the Associated Press)—The Brooklyn Dodgers of 1924 are emulating the Boston Braves of 1914. It was just ten years ago that the Boston Braves, trailing the whole field on July 4, began their famous drive that brought them under the wire first in September. And in Brooklyn they're saying history repeats itself every day.

From the ancient corridors of thorough ball to the outfields of Pittsburgh they're taking baseball. It was on Sunday, August 21, that the Dodgers were last placed to the axminster. And they were well nailed at that killing, the Cardinals administering a double defeat to the Brooklynites. But since that humiliation the Dodgers have won exactly 14 straight

games, nine of them in the last five days.

The records fail to show any other performance similar to that of the Dodgers in winning four double headers in as many days. When this sensational winning streak started the Dodgers were well headed in third place, seven and one-half games behind the league-leading Giants.

In Washington they're thinking of running Walter Johnson for president on an independent ticket with Stanley Harris as his running mate. They're calling the royal and ancient Walter the Washington monument and desiring any of their rivals to try and climb it.

New York Wins

While Brooklyn won their 14th straight game yesterday New York took two from Philadelphia and Cincinnati won from Chicago.

Chicago Wins

The Chicago Sox, in the American league cellar, defeated St. Louis and Detroit won a double header from Cleveland, taking the second game 20 to 1. In both games Detroit scored 27 runs, 23 hits and made but 7 errors.

Portland Wins

In the Pacific Coast league the Beavers won another, beating Vernon 15 to 12 in a slugfest. Both teams hit freely, Vernon connect-

Invading British Golfers Battle for U. S. Cup

England and America will clash on the golf links in the fourth renewal of the Walker cup matches at Garden City, L. I., Sept. 12 and 13. America was victorious in the first three onslaughts and is expected to win again this year.

The British invaders are without the services of two of their strongest players, Roger Wethered and E. W. Holderness, present champion of England.

The team is, however, well balanced and is under the guidance of one of the best players in the land, Cyril James Hastings Tolley, well known to Americans.

Tolley was a conspicuous performer in the American championship at Brookline two years ago, and will play again in the American event at Merion, Pa., this year.

Other members of the British invaders are E. F. Storey, Major C. O. Hazlet, W. L. Hope, Dennis Kyle, Mike Scott, T. A. Torrance, O. B. Mastrove, W. A. Murray and Robert Scott Jr.

In the accompanying layout, Storey is pictured at the left, Hazlet in the center and Tolley at the right.

ing with 23 safeties and Portland with 17.

Salt Lake lost to Los Angeles, San Francisco defeated Sacramento and Oakland continued their winning rush by shutting out Seattle 3 to 0. Oakland is now but 21 games behind second place.

Australian Tennis Team Leading French

BROOKLINE, Mass. (By the Associated Press)—Australia took the lead from France in the Davis cup competition at the Longwood cricket club Friday afternoon when Pat O'Hara Wood and Gerald L. Patterson, Melbourne partners of many years' standing, smothered Jack Brunsdon and Louis La Roche of Paris in straight sets, 5-4, 6-2.

The concluding stages of the competition which will determine America's challenger for the historic trophy next week at Philadelphia will be Saturday afternoon.

The rival teams divided honors in the opening singles Thursday, La Roche defeating Patterson and Wood conquering Jean Borotra, the French captain, so that Friday's doubles victory put the winner of the American game ahead by two matches to one. Saturday at 2:30 o'clock Patterson and Borotra, Wimbledon winners in 1921 and 1924, respectively, will meet. In the concluding match of the tie, the Thursday winners, La Roche and O'Hara Wood, are to compete.

Friday's match was close for a time but the superior team work and better tactics of the Australians enabled them to win the encounter without the loss of a set. In the first set a break through La Roche in the fifth game was the loophole through which the Australians squeezed to victory at 5-4, the service holding sway in game of the games.

The Frenchmen never were ahead at any stage and the one-sidedness of the competition distracted somewhat from the interest.

Some ladies are elected president of a civic club, and some don't even know how to place the rubber.

NOVICE DISPLAYS BRILLIANT GOLF

NYATT, R. I. (By the Associated Press)—Two remarkable shots by Miss Mary K. Browne, when the need for them was urgent, enabled her to triumph over Miss Glenna Collett at an extra hole in the semi-finals of the woman's national golf tournament Friday.

The shots were a 175-yard break through trees at the eighteenth and a 15-foot gamma putt at the nineteenth.

Never has the name of golf known a more sensational and to a match. The woman from the Los Angeles Country club, former tennis champion, almost a novice at golf playing in a national golf tournament for the first time and barely qualifying with 98 just after she had been a semi-finalist in the national tennis tournament.

Defeated the wonderful girl of the Rhode Island Country club, ex-champion, who has been rated by experts as the best of her sex and who won the qualifying match with 79, thereby being the first woman ever to break 80 in the history of the tournament.

Rendleton Gridiron Prospects Are Rosy

RENDLETON, Ore. (Special)—Some 28 potential gridiron warriors turned out at the high school grounds for their second practice under Coach Homer C. Taylor and were run through a high practice consisting principally of ball handling and catchments.

Prospects loom bright for a strong offensive with the enrolling in school of two top notch half backs Jack Abrams, an Indian from Chemawa who has played 1700 yards with the Indian school team in Salem and Les Shane, a husky looking back from Eagle, Idaho.

These two loom together with Harold Huston, quarter, and captain, Bill Neff, fullback and Cliff Christensen, Louis Hartstrom and Raphael Raymond form an A-1 squad from which to pick a backfield.

Nightly practices are the order now with the stiffness of the workouts gradually increasing.

We are 100 per cent American, and too many American top-notchers have names we can't spell.

IDAHO COACH NO 'SOBBER'

UNIVERSITY OF IDAHO, Moscow.—Football coaches of the Pacific Coast Intercollegiate conference, as well as those in other circuits in which the great fall game is now being welcomed, doubtless are spending long hours studying 1924 schedules, to locate if possible reasons that will enable them to say without reserve that their string of games is harder than the other fellows.

When R. L. Matthews, leader of the Vandals, visited Portland recently to arrange for preliminary work for the Stanford-Idaho game there October 25, he was met by L. H. Gregory, sports editor of the Oregonian, Portland perhaps the outstanding clearing house of coast conference gossip, already had heard much moaning over schedules. Paul Schuster, the new Oregon coach, expressed amazement at the "terrible" schedule arranged for his club. Also Gregory had intended to wooft take from Andy Smith at California and Enoch Ramsey at Washington. Naturally he expected the Idaho coach to join in the chorus, in view of the well known fact that the Gem state university, as one of the smallest and youngest members of the league, invariably gets the worst in the schedule shuffle.

"Matty" wrote down the Idaho schedule of eight games, six against conference teams with the other two contests against teams that might as well be considered of conference strength and handed it to the Oregonian writer. He offered no alibis and made no plea for sympathy.

"What's a football team for but to play football?" he would like to know.

Tight now—nearly half a month before the conference rule permits varied practices—prospects look good for the Idahoans, Coach Matthews says.

"We expect to have a good club and goodness knows we'll need it for the schedule. It's too late now to work over the line-up of contests so we're going to save every bit of energy to develop our eleven."

Japanese Bau Aids Recruiting TOKIO (AP).—Since the American congress passed the immigration act including the Japanese exclusion clause, fewer young Japanese are dodging compulsory military service, according to the head of recruiting in Tokio. In former years scores of young men tried to dodge conscription, but this year there have been only half a dozen such cases in the capital.

Bread Price Soars in Austria VIENNA (AP).—Despite financial supervision by the League of Nations and the stable currency, the price of bread is alarming on the increase. The price of 7,500 kronen for a loaf, fixed by the authorities for August, is said to be higher than ever, even compared with the worst time of the inflation period.

SHEEP SHIPPED TO NEBRASKA

NORTH POWDER (Special)—Eight carloads of sheep were shipped from North Powder to Omaha, Neb., the first of the week. The shipment was made by Lee and Cundiff.

The population of North Powder must have been very small last Saturday judging from the number of North Powder people seen in Baker on that day for the circus.

Miss Jessie Gibbons returned Wednesday from Paris, where she has been visiting for several weeks. Her grandmother accompanied her from Burns and will visit here for a time with her son, Gale Gibbons and family.

A baby boy arrived at the home of Mr. and Mrs. William Luney Thursday, August 28.

Mrs. J. T. Pearce and daughter, Opal, arrived in North Powder last week from Bend, Oregon, where they have resided for several months. Mrs. Pearce, who is well known here, having resided here for several years, enjoys better health at North Powder than at Bend and intends to remain here for the winter. Mr.

Pearce will arrive at North Powder later on. Mrs. Emma Clark left Thursday for Ontario to resume her work as principal of a school near there. Mrs. Clark has spent most of the summer in this vicinity with relatives and friends. Mr. and Mrs. Andrew McCosmick, of Kansas City, Mo., who have been visiting with Mr. and Mrs. Frank Bidwell, left Tuesday for La Grande, where their son and daughter reside. They will also make a trip to Portland before returning.

MEDFORD COUPLE WEDS MEDFORD, Ore.,—L. M. Mack's Protestant Episcopal church Miss Ruth L. Hamilton, daughter of Rev. William B. Hamilton, the rector, and Mrs. Hamilton, became the bride of George P. Olson, formerly connected with the American Light Iron company, who has been living here for several months.

Rev. Mr. Hamilton performed the ceremony, after which the newlyweds left for an automobile trip to Portland and Seattle. They will reside in San Francisco.

Simple Lines are Favored in the New Shoes of This Fall

These are the first of the new styles. And throughout, one sees that rich simplicity of design which so graciously emphasizes the straight silhouette and long lines of smart Fall garments.

Yet, there's variety—splendid variety—that you may have shoes which are pleasingly individual, as well as correct in style.
