GRANGE MEET HELD TUESDAY

WALLOWA, Ore., (Special)—A fair sized crowd of grangers attended the special meeting of the grange Tuesday evening. State Master Palmer gave a very interesting talk telling of what the grange was doing over the state. The Oremarization bill which is to come before the voters of the state at the November election was discussed thoroughly.

PAID FANCY PRICES

I paid an international authority on diseases of the stomach \$100 and he didn't do me the least bit of good. I have been to various spas in Europe and have spent fully \$10,000 fruitlessly in search of a cure for my stomach trouble. Naturally I felt that in any remedy for my case. My wife's wonderful remedy and pointed it so highly that I tried it and am now entirely rid of that trouble. It is a simple, harmless preparation that cures the intestinal tract and allays the inflammation which causes practically all stomach, liver and abdominal ailments, including appendicitis. One dose will convince you money refunded. At all drug stores.—Adv.

CANNOT SMOKE ON AIR TRIPS

PHILADELPHIA, Sept. 25.—Masterman Hadden, the writer, an intimate friend of the late Chief Zippel, for years was fond of smoking in air and prior to the war he frequently made trips. He had always in possession, however, that he would not smoke during the flight.

Feels Years Younger Since Taking Tanlac

Los Angeles Man Says It Did Him So Much Good He Is Recommending It To Others.

"Incredible to the calendar I am 55 years old, but feeling from the way I feel since taking Tanlac, I am a good many years younger than that," recently remarked E. W. Collier, 547 South Hill St., Los Angeles, Calif. Mr. Collier is that genial and affable gentleman who when ever you hand their tickets on entering the Alhambra Theater.

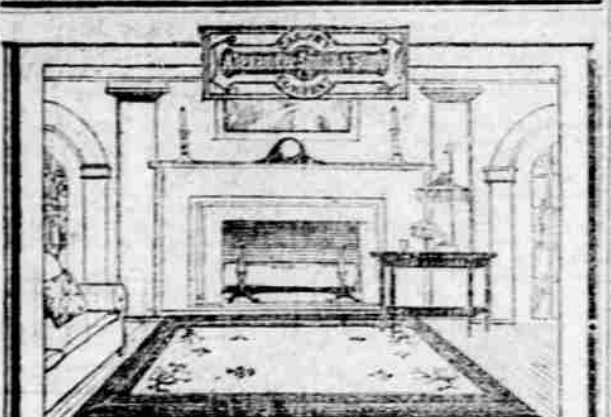

E. W. COLLIER.
Over 40 million bottles sold.

"For some months past I have felt all run-down. I had a poor appetite, my sleep was restless, my liver sluggish and I felt as tired and worn-out that every step was an effort.
"A friend put me on to Tanlac and it has done me so much good that I am now recommending it to others. My digestion is fine, my appetite the best ever. I have no more constipation, headaches or nervous nights and, in fact, I am feeling fine."
"Tanlac is for sale by all good druggists. Accept no substitutes."

"In looking whether or not to take Tanlac, a countryman should be careful to consider merely the amount of the bottle. The first cost of a whole case may be less than that of a single bottle, but at the end of a few years, after the money has been paid, it will be found that the cheap case will cost more than the expensive one. A country man well advised to spend \$10.00 to eliminate a dangerous ailment, which when left alone, may cost more than \$100.00. The same country man, however, not be justified in spending money for medicine, if a continual annual expense will be required to maintain the cure after it is built. The original cost of a bottle of Tanlac is \$2.00, which the colored gentleman gave the minister for his wife. It was only the "fine cost." I believe in good things the same as I believe in good churches, good schools and good things. But there can be too many churches and too many schools. The great need of life is for us to have all things in their proper proportion according to our income and resources. Moreover, we should not spend more when we can get it for less."
