Decorative Frock

HERE is a decorative frock made of velvet brocade in a very tender shade of blue banded with black fox fur. The wide flowing sleeves are graceful indeed and the cut of the skirt which allows the front to be very full is unique. These brocade velvets come not only in one-toned materials but in very rich mottled and printed effects and with a different color in the figure than on the plain surface.

BILLBOARDS NOT INSTALLED ALONG CHINESE ROADS

TECHOW, Shantung (AP) — The billboard has invaded China, along with other western innovations, and is gradually making its appearance far in the interior and off the beaten tracks. Not only is it devoted to the recognized purpose of crying the merits of some article of merchandise, but occasionally it is employed in furthering moral uplift. For instance in certain districts in the province of Shansi herculean policemen are portrayed on billboards in the act of seizing opium traffickers, apparently in the hope of bringing the lesson within the scope of the duller intellect, while others show guardians of the law with

Before we started from our home in Centralia, Washington, the 15th of last May, we shipped a carload of lumber to La Grande and our intentions were to build some houses but no sooner did the car arrive until we began to sell to our neighbors and friends. We were almost compelled to put in a lumber yard, which we did. The demand for the kiln-dried Douglas Fir was so great that we have grown by leaps and bounds. We are spreading far and wide, car after car of lumber and shingles are being unloaded and distributed to our many customers. We may be classed as the wholesalers to the consumers, as we handle material on a very low percent. We are poor people but you are helping us by paying cash, so that we are able to meet our obligations. What we do is open and aboveboard. We honestly tell you that a door or window that would cost us \$2.00 wholesale will cost you \$2.30 retail. We have sold 700 doors and windows within 60 days time. There is a reason. Come and see.
