

UNION WOMEN HURT BY FALL

UNION. (Special) — Saturday afternoon while attempting to turn on the lights for the tourist camp grounds, Mrs. L. A. Burwell had the misfortune to fall down a steep flight of stairs spraining her left wrist and severely injuring herself. Her son, Adrain Good-brod, who manages the camp ground, was in Pendleton at the time attending the football game, so his mother climbed the stairs to care for the lights. She slipped and fell down the entire length of the steep stairway.

Mrs. Edith Phy, her daughter, Margaret, and Andrew DeLap went to Pendleton Friday to see the Whitman-O. A. C. game. They returned the same evening bringing home with them, Mrs. Phy's daughter, Marcia, who is a student at Whitman. Miss Marcia returned to her work at Walla Walla Sunday.

Mr. and Mrs. John Wortman, Willis Phillips, Marsella Sturgill, Ruth Garrick, Miss Noxvel, Alta Phillips, J. W. Baxter, W. V. Connor and Robert Wakefield were among the Unionites who went to North Powder Friday to witness the football game between Powder and Union.

Another card and pool hall has been opened up on Main street during the past week. J. E. Allen of La Grande has rented the restaurant property near Webster's Variety store, stocked up with a supply of tobacco, etc., and has opened up for business.

High School Elects.
The high school student body held its annual election of officers Friday afternoon. Johnny Geertsen was selected as president, Sidney Dobbin as vice-president, Fern Puckett as secretary-treasurer, Bethine Miller as U. H. editor and business manager, and Dick VanHouten as yell leader. Sale of student body season tickets has been going on for the past week. The price this year is \$2.00 for students and adults, and \$1.00 for grade pupils. Both the Junior and Senior classes have gone one hun-

dered per cent in securing tickets, and it is expected that the other classes will go over the top.

The local tennis tournament has been continued during the week and practically all the preliminaries have been played. In the men's singles only three are left, Dean Hutchinson, Rev. Hodges, and Fred Fox. Mrs. Fred Fox and E. F. Hutchinson won the mixed doubles. A few more matches will also wind up the ladies' singles, ladies' doubles, and the men's doubles. A great deal of interest is being taken in this tournament. The Union Athletic club has been organized and after the tennis season is over, indoor baseball, handball and other games will be taken up in the gym.

Dan Clark, of the University of Oregon, who has charge of the debating in the high schools of the state, has asked Supt. Roy Conklin to take charge of the work in Union and Walla Walla counties. Mr. Conklin will accept the position.

Martin Frahn for the past few years a resident of Union and vicinity, left Wednesday morning for his former home in Ogilvia, Nebraska.

Arm Broken.
Jack Cox, one of the high school football squad, came home from the North Powder game with a broken arm, which he is now carrying in a sling. This accident will keep him off the gridiron for a few weeks.

R. H. Bonney and Lester Miller and their wives went to Minam Meadows last week for a few days hunting and fishing.

E. A. Pumphrey, who for the past few years has been conducting a fuel and feed business in Union, has sold out his interests to M. L. Watts of North Powder. The latter now having moved to Union and taken over the management of the business. Mr. Pumphrey and family will make an extended visit to Texas and other southwestern states.

An Epworth League social was held at the Methodist church Friday evening which was attended by about fifty young and older people. Games and a general social good time and the usual eats constituted the evening's program.

Mrs. E. O. Cook became seriously ill last week and Wednesday she was taken to Hot Lakes for treatment.

Mr. and Mrs. Bert Knight were hosts to the T. B. club on Wednesday evening. At bridge the high scores went to Mr. and Mrs. H. C. McClay, while Fred Fox received the consolation. Refreshments were served by the hostess.

With a team composed almost entirely of new men and only three weeks after the beginning of school, Coach Fritz went to North Powder Friday to kick against the heavier eleven who are practically all last year's players. Although defeated by the score of 45 to 0, Union's boys put up a game fight and, especially in the last half showed up well when pitted against so much odds. Fritz won her touchdowns by line plunges, and such runs as she was trying to make or forward passes.

The game was played late in the afternoon and in a cold, drizzle of rain. Geertsen and Engel are the only old men on the Union team, all the others either coming from last year's squads or being new to the game. By the end of the season they ought to show up much better than at present. Garrison, of Powder, acted as referee, and Wirtman of Union as umpire. Mr. and Mrs. Earl Garrison were down from North Powder Sunday, the guests of Mrs. Garrison's parents, Mr. and Mrs. Garrison.

TWIN FALLS STANDS FIFTH
TWIN FALLS, Idaho.—Fifty of cents per pound on support butter gave Idaho farmers an advantage for the United States market on 29,327,163 pounds of butter, amounting to 8 cents per pound to \$1,945,772.24, during 1923, and the first six months of 1924, according to a statement of M. A. Meann, Idaho commissioner of agriculture, in connection with the issuance of statistics of dairy production showing the amount of butter manufactured in Idaho.

According to these statistics, Twin Falls, with a production of 3,000,000 pounds stands fifth on the list of 15 Idaho counties credited with local production of 15,727,153 pounds of butter during the 13 months period. Butter made on farms for home use during this period is estimated at 1,250,000 pounds, bringing the total production for the state up to 26,977,153 pounds. Estimated value of Idaho's dairy production during this period is given at \$12,162,838.50.

Scientists Plan to Study Origin of Polynesian Races

HONOLULU (AP) — The party of scientists which plans to leave Hawaii in October aboard the yacht Kaimiloa for the south seas, will receive an official welcome and all possible aid from the Cook Islands administration of the New Zealand government, according to word received by officials of the Bishop museum which is sponsoring the cruise.

The cruise of the Kaimiloa through Polynesia will last three years, according to present plans. The scientists will study marine life, native plants, insects, ethnology, prehistoric remains of former inhabitants, ocean currents, meteorology and other elements.

The party will concentrate upon the eight main islands of the Cook group — Barotonga, Mangaia, Atiu, Mitiaro, Atafu, Takutea and Manua, but visits will also be made to Ellice, Palmyra, Tongareva, Manihiki, Takahanga, Pukapuka and Niue, which are part of New Zealand's territory.

Energetic Measures Save Thousands of Inland Fish
NEW ORLEANS (AP) — The Louisiana Conservation Commission, with the assistance of the Federal Bureau of Fisheries, saved

745,300 fish from death in St. Martin parish alone from August 6 to September 6, according to a report of the commission on its work in overflow pools which were drying up because of the drought.

Game fish to the number of 157,025 were transferred to the streams in East Carroll parish, in the northeastern part of the state, and in Calcasieu parish, in the southwest. Commercial fish numbering 618,275 were planted in running streams in the vicinity where they were rescued. The commission is continuing the rescue work in other parts of the state.

Escaped Convict Captured.
SALEM, Ore. — Penitentiary officials received a telegram from Boone, Ia., to the effect that B. L. Sherman, escaped convict from the

Oregon prison, was arrested there. The officers at Boone also are holding Eldon Quinlan, son of the chief engineer at the penitentiary, who disappeared here on the day Sherman made his escape. Sherman escaped September 8, while employed as a trustee.

Athletic Field Purchased.

EUGENE, Ore. — St. Mary's Catholic church of this city has bought a tract of 10 acres at the foot of Twenty-fourth avenue at the southern city limits to be used as an athletic field for students of the parochial high school. It was announced by Rev. Edwin V. O'Hara, local pastor.
