Are You Patriotic? Then Vote!

On November 4th a National Presidential
 Election will be held in the United States. The
 only right way to select a President (and other
 executives) is for everyone to signify his or
 her choice. Consider it a sacred duty to your
 country to go to the polls and cast your vote.

Coolidge Gaining

Campaign managers on both sides will scream for their
 candidates and say they are getting the voters' confidence,
 thereby assuring them of success, but to the person who
 tries to analyze the present complex political condition it
 is apparent that Coolidge is gaining every day.

The crux of La Follette's strength has been reached
 and the Wisconsin senator is suffering a daily loss right
 now. Mr. Davis never seemed to be in the race and the
 only hope of his party has been that the election would go
 into the house of representatives. There was a time
 when that seemed possible, but not now, for the Coolidge
 strength, based upon confidence of the people in Mr. Cool-
 idge and the desire to have this nation proceed along sound
 lines, is unquestionably growing.

Right here in Union county the president is stronger
 today than he was two weeks ago. And we might add that
 Davis is stronger also than he was two weeks ago, for
 the reason that members of both old parties who at first
 flush were inclined to the La Follette movement, have had
 time to think the matter over and they will vote with
 their party.

According to surveys made in different parts of Ore-
 gon the same conditions exist and from now on until elec-
 tion a steady growth of Coolidge sentiment may be ex-
 pected.

Back In the Harness

Today a copy of the Medford Clarion reached the Even-
 ing Observer's exchange desk and we notice that Lee
 Tuttle, a Union county boy who for several years pub-
 lished the Elgin Recorder, is the new Clarion editor. Mr.
 Tuttle is a capable newspaperman who will be a live citi-
 zen of the Medford country and will give the people that
 energy and pep needful to newspaper leadership.

Baker county is voting on a half million dollar road
 bond issue. The money, if voted, will be used to com-
 plete the highways to Burnt River country and to Eagle
 and Pine valleys. Baker county is in the unfortunate
 position of having expended large sums in building roads
 that are not completed and in order to receive the benefit
 from the highway work already done it is almost essential
 that further expenditures be made.

Lincoln was making a speech in Pennsylvania, when
 one of his friends suggested that he say something about
 the tariff. Honest Old Abe said: "I we pay Germany \$30
 a ton for steel rails, Germany has the \$30 and we have
 the tariff. Honest Old Abe said: "If we pay Germany \$30
 a ton for the rails, then we have both the \$35 and the
 rails." This is one of those truths that stick with us.—

England Still Likes Beef
LONDON (AP)—Modern Eng-
 lishmen are living up to the title
 of beef-eaters which their habits
 in the pre-Victorian era assigned
 to them. Londoners are big meat
 eaters, particularly of beef, and
 last year an average of 32.9 ounces
 of meat a head was sold, which work
 in London. The city's meat bill in
 1922 amounted to \$175,000,000.

I Never Burn
 My skin
 By Edna Wallace Hopper

Edna Wallace Hopper, Photo 1923

I live in the sun and the wind
 in summer, but I never burn my
 skin. That is because the great-
 est of experts told me how to
 prevent it.

The sun
 is good for
 the skin—
 get all you
 can of it.
 Only cer-
 tain rays—
 U.V. rays
 which pass
 do harm.
 But they
 don't, and
 the sun
 will never
 burn.

Tan bars those rays, so tanned
 skins do not burn. But science
 has found a way to do that with-
 out changing the skin's color. It
 has found a substance, harmless
 and colorless, which bars out only
 those burning rays.

By my experts' advice I had
 that substance embodied in my
 vanishing type of Youth Cream.
 I apply it before any exposure.
 After bathing I apply it again,
 for water removes it. I have
 never had sunburn, windburn, tan
 or freckles since my experts
 taught me this.

Now I am placing all my hope
 at every woman's call, and this
 one is among them. Edna Wal-
 lace Hopper's Youth Cream is
 supplied by all druggists, all tol-
 let counters. The Vanishing Type
 contains the substance which pre-
 vents sunburn. The cost is 50c
 per jar, and every jar carries my
 guarantee that it does what my
 experts claim. Also, in the tubes.
 I promise you it will delight you.
 I shall gladly mail you a trial
 tube if you will send this coupon.
 Do that and see what it does.

GRATEFUL TO TANLAC FOR PERFECT HEALTH

Seattle Lady Gives Tan-
 lac Full Credit for Her
 Recovery.

"I would not be back in the
 condition I was before taking
 Tanlac for a million dollars," re-
 cently declared Mrs. N. E. Wash-
 burn, 4915 4th Ave. So., Seattle,
 Wash.

"Stomach trouble had taken
 away all my strength and brought
 me down to where I could not
 keep going from weakness and
 suffering. I was so nervous, con-
 stant and miserable that life was
 a burden. Only those afflicted
 with indigestion as I was can
 know what I endured.

"As stubborn as my case was,
 Tanlac has built me up 13 pounds
 and there is not a trace of my
 old trouble left. In fact, I am
 now enjoying perfect health and
 just so grateful for my recovery
 that I want to praise Tanlac to
 everybody."

Tanlac is for sale by all good
 druggists. Accept no substitute.
 Over 40 million bottles sold.
