

NEWS of SOCIETY

Mrs. Fred Kiddle proved herself a charming hostess yesterday afternoon when she entertained the Thursday Bridge club at her home in Island City. During the afternoon's play Mrs. C. J. Edenhorn won high honors and at the close of a very enjoyable time a delicious two course luncheon was served.

Combination Popular

The popular combination of dress and matching coat is responsible for some of the most carefully thought out costumes here. In a gown of black wool trimmed with heavy stitching in white silk, coupled with a coat of the same material that is lined with heavy white crepe de chine trimmed with stitching of heavy black silk nearly all "real things" this season are trimmed in some unique way.

The club will be entertained next Thursday with Mrs. M. D. Bonduelle as hostess.

The Christian Endeavor Society of the Presbyterian church will give an October party this evening at the church honoring the visiting delegates here for the C. E. convention. Several guests will be in attendance from out of town and a very interesting evening is being planned.

Members of the Alpha club spent a delightful afternoon yesterday when Mrs. M. Boney was hostess at her home on Fourth street. A delicious two course luncheon was served at 1:15 o'clock after which bridge was the feature of the afternoon with Mrs. Walter Lohman winning high score.

The club will hold its evening meeting Wednesday evening, October 22, with Mr. and Mrs. Charles Reynolds as host and hostess.

The Loyal Women's Bible Study class of the Christian church met yesterday at the home of Mrs. Helen Sherman and spent an unusually interesting afternoon. Following the regular business meeting a pleasant social time was spent and dainty refreshments served.

The Park. (Special)—Mrs. Maud Vanorder celebrated her forty-second birthday anniversary recently at her home here. A large number of friends and relatives were present bringing with them many beautiful and appropriate gifts for the occasion. Everyone had a fine time after which refreshments were served to 20 guests.

Fashion Notes

Paris. — A rather small hat of brown silk stitched with black is in favor now for afternoon wear. It often has a double pompadour on the edge of the brim over one ear, the brim being narrow to the vanishing point.

Paris. — Many dinner dance frocks of the moment are merely a costume slip with a beaded or sparkling tulle. The tulle is invariably longer than the undergarment and hangs from the shoulders without a belt, but with a slight flare at the knees.

London. — Lingerie today is pulled through a Dresden shepherdess pose. In white georgette or in a silk, it has delicate swirls and modulation effects in the pale to pink and blue.

London. — One society prettier dancing at the Savoy the other evening, wore an ingenious bouquet of artificial flowers on a long black ribbon at her waist. When the dance was over she produced from the bouquet a magnificent front of 100 3/4" powder puff, lipstick and cigarettes.

New York. — There is decided tendency today toward the simplest lines with an absence of decoration and with a tailored look. This is especially true of daytime apparel, whether for street or for more formal wear.

New York. — The girl with full-bodied hair has found a new softening ornament for the evening. This is a round crown sparkling with jewels which encircles the back of her head.

Auto Upsets; Woman Hurt
HEPPEL, 495—A large automobile driven by Ed Atkins slipped out of Hopper's hill about 11 miles out of Hopper. Mrs. Atkins was pinned underneath and injured being paralyzed from the hips down. She was taken to the Hopper surgical hospital.

Annual expenditures for billboard advertising in this country have increased from \$2,000,000 to \$20,000,000 in the past ten years.

George Fisher, 75, wealthy farmer of Falls City, Neb., didn't want his children fighting over his estate after his death. "He called all five together and staged a little lottery. Everybody got something—but the choicest piece of land went to the eldest, Mrs. George (Peterson) Fisher of Abilene, Kan., when she drew the lucky number from her father's hat. Her land is worth \$10,000.

HUNT'S LETTER

(Continued from page 1)

pendents are economical from necessity rather than choice. Both have attempted to make capital out of their lack of capital, declaring they would rather have single dollars from many individuals than large sums from a few, and that big donations not only were not sought but were not wanted. However, there is no record of either outfit being compelled to return any large checks in order to live up to their good resolutions.

The drive of the Democrats for "Victory Club" contributors, and the sale of La Follette-Wheeler medals at \$1 each, continues unabated.

Two former baseball experts, now high in administration and Republican councils, took an active part in keeping Washington's hope on straight during the world series games here.

Postmaster General Harry New, who used to be a sport writer on his father's paper, the Indianapolis Journal, turned reporter again and "covered" the series, thereby getting a free seat in the press box and a "by-line" in a Washington paper.

Colonel George Harvey, former ambassador to Great Britain, now editor-in-chief of Ned McLean's Washington Post, who 40 years ago sold a story to St. Nicholas Magazine about a game between the Procham and Danville (Va.) teams, resuscitated this fact as testimonial to his claim of being a "sport expert," and therefore qualified to speak with authority on the technique of the Giants and Senators.

I might "horn in" on this situation for my own family by pointing out that the hero of Harvey's St. Nicholas yarn was named Hunt, who, according to the colonel, pitched the first curve ball ever thrown in New England.

Students Form La Follette Club
REVIVAL.—The O. A. C. La Follette-Wheeler Progressive club was formed here last week and will hold its first regular meeting in the court rooms of the county court house Wednesday evening. Speakers have been arranged for.

I Paid \$5
For these powders once
by Edna Wallace Hopper

I was asked to offer women my aids to youth and beauty, and I did. They are, I believe, the greatest in existence, for I searched the world to get them.

Then countless women asked me about powders. I am an actress and a movie star. We in our world care nothing for expense. Anything which adds to our beauty is worth its cost. So

Edna Wallace Hopper, Photo \$5 per box, as 1923 has others, to obtain the very utmost in a powder. Each lot was made to my order.

Now I have added the makers to supply these identical powders in quantities, at prices all could pay. I have agreed to market them to women who desire them. There I am able to supply these same powders at 50c and \$1. I owe that to the kindness of the makers.

I use a heavy cold-cream powder, based on my Youth Cream. It clings and stays. This I call my Youth Cream Powder. But many women like a powder light and fluffy. So I have this powder made in two forms.

All druggists and toilet counters now carry my Youth Cream Powder at \$1 and my light Face Powder at 50c. Both come in three shades—white, flesh and brunette.

There may be greater powders in the world, but I have never found them, and I have consulted the greatest experts. I know that anyone who compares them will be amazed and delighted. I shall gladly mail you a sample of the kind you want if you will mail this coupon.

Her land is worth \$10,000.

ELGIN MAKES NOMINATIONS

ELGIN (Special)—At the city caucus held in the city hall here the following nominations were made for city officers: Mayor, Clarence J. Hazen; recorder, J. W. Cummins, editor of Elgin Recorder; treasurer, J. L. Shoemaker, cashier of First National bank; marshal, Bert Higgins and John Schmitt.

The office of marshal was the only one very closely fought after, there being nine nominees at the caucus—Bert Higgins, John Hazelwood, John Schmitt, Doro Barnes, Sam Mason, Lynn Hill, Mr. Knapp, Fred Hall and Jack Rhodes.

Councilmen for two and four years will be elected from Dr. Harley Smith, Clarence D. Dean, Henry Sommer, O. W. Barlow, William Hazelwood, H. H. Hug and William Hinton.

ROAD ISSUE IS FLOATED
PAISLEY, Ore.—After two unsuccessful efforts to improve the ample supply of water furnished by the numerous springs at the head of Ana river at the north end of Summer lake, owners of ranch lands which lack only irrigating water to convert them into highly productive properties have floated a third bond issue in the sum of \$100,000 in an effort to save an irrigation project on which thousands of dollars already have been expended.

The stratified subsoil under and around the reservoir has proved an enigma to engineering experience but this series of water accidents has been taken by J. R. Mason & Co. of San Francisco on what is said to be an almost positive assurance of engineers that a process of "pudding" the reservoir and dam will stop leaks and hold the water. Banks of Lakeview assisted in taking the securities, which went at par. If successful, the project will add about 5000 acres of tillable land to the producing area of Lake county.

ASTORIA Deposits \$8,659,832
ASTORIA, Ore.—Indications of a prosperous financial condition in this section are noted in data published in the bank call. Local banks have on deposit the sum of \$8,659,832.05, which, according to Astoria bankers, is the high-water mark since the war period.

HINTS TO MOTORISTS
There are probably very few drivers that are not aware of the ordinance requiring a speed of not over 12 miles per hour past a school house, yet at the same time, but very few PAY ANY ATTENTION to it. In traveling at a speed of 12 miles an hour, a car with properly adjusted brakes can stop almost instantaneously, which you might have to do at any time in the vicinity of a school house.—ALONZO G. DUNN, La Grande traffic officer.

Japan is the victim of a new epidemic, resembling spinal meningitis, which is said to have caused 900 deaths in her western provinces. The death rate is placed at sixty-five per cent.
