IT'S THE CUT OF YOUR CLOTHES THAT COUNTS

Variety

Tastes differ; if it weren't for this fact a clothing merchant's job would be as easy—and about as interesting—as selling postage stamps.

As it is, we always have the greatest possible variety here; if a man wants something in a colorful necktie, we have it; and we are also ready to satisfy the conservative, the man who wants a neat effect in black and white. And everybody in between!

We are proud of the variety of good merchandise in this store. It's one of the main things that hold our customers to us.

When you come in to buy a suit, you will see a large assortment of the finest that America has to offer—Society Brand. You'll find the fabric and the model you want.
