

28 YEARS AGO

La Grande Gazette, October 29, 1896.—The Democrats claim Union county by 800. Well it will be better 190.

The Republicans are betting three to two on Oregon and three to one on general results.

J. B. Montgomery of Portland spoke to a large number in the Bryan hall Wednesday evening.

O. H. Finn is making a canvass of Wallowa county in the interest of McKinley and Hobart this week.

J. R. Parrell, of Cornucopia will deliver an address in this city Monday evening in the interest of Bryan and Watson.

Arrangements have been returned whereby the election returns will be given out in the club rooms. The price of admission will be nominal.

The controller of the currency has declared a dividend of 10 per cent. in favor of the creditors of the insolvent Baker City National bank of Baker City, Oregon.

The Pioneer Flouring Mill, of Island City, under the charge of C. H. Bidwell and E. K. Kilde, resumed operation Monday. The plant has been thoroughly overhauled and equipped with the latest machinery. They have on hand sufficient wheat to keep them running night and day for some time to come.

There are a few republicans in this neck of the woods who are not contributing their individual mites toward the success of the great demonstration to take place in La Grande next Saturday.

Fleiman H. D. Carpenter who was sent from La Grande to the Washington division during the wheat rush, was the victim of an accident on his first trip from Walla Walla to Umatilla. The engine which was in charge of Engineer Kuhnke struck a loose rail and turned over burying Carpenter and the head brakeman in the debris. Kuhnke was thrown completely out of the way and only suffered the dislocation of his shoulder and a severe shaking up.

Mr. Carpenter has been a resident of La Grande for several years and was universally respected by his host of friends and acquaintances. He leaves a wife and four small children to mourn his departure.

The funeral took place from the Presbyterian church Wednesday afternoon under the auspices of the Odd Fellows lodge of this city. A large number attended the last rites paying tribute to the deceased. The afflicted ones have the heartfelt sympathy of the entire community.
