THOU HAST A MIGHTY ARM: strong is thy hand, and high is thy right hand. Justice and judgment are the habitation of thy throne; mercy and truth shall go before thy face.—Psalm 89: 13, 14.

A Sane Expression

Results of Tuesday's election show conclusively that when once the people are aroused to get out and vote the safety of the state and nation is intact. The election of Calvin Coolidge was the greatest move back to sane and sensible living that could have been made. To have elected him and failed to equip him with congress to work his policies would have been fatal, but the people, and especially the people of Oregon, took due notice of this fact and elected a senator and congressmen that are in accord with Coolidge.

In state matters the election of Tom Kay as state treasurer was the proper thing, for it discredits forever the mud-slinging methods used against Kay and installs in that important position a man who is abundantly qualified to fill the place and work harmoniously with Sam Kozer, secretary of state. It may inconvenience Governor Pierce a little, but the governor will find some way to entertain himself while Kozer and Kay look after the state's business in a proper manner.

The legislative ticket in Union and Wallowa counties was chosen from Republican candidates with exception of Albert R. Hunter whose continuance in office as Democratic representative is always a foregone conclusion and which does not embarass Republicans to any extent.

Taking the election as a whole it was a marvelous exhibition of Americanism of the purest type. It was complete annihilation of La Follette-Wheeler reddish brown brand of politics; it was a repudiation of the mud-slinging methods used by many locally and nationally, and it was an assurance that we have an administration that will not lend its power to inflating currency and causing fussy conditions but which will gradually draw America down to stability and sound business.

Hello, George Baker, let us speak our congratulations on the well deserved vote of confidence reposed in you by the people of Portland—the city you have served as mayor so well in the past eight years.

It was a breath-holding moment when Brookhart of Iowa went behind his Democratic opponent. Any Iowa Democrat is better by far than the cross-bred coyote, Brookhart, to represent the people of that grand old state in the United States senate.

A national census of pigs is to be undertaken this fall by the government. However, assurance is given in advance that quadrupeds only are to be counted.

The Judge: "This lady says you tried to speak to her at the station."

Salesman: "It was a mistake. I was looking for my friend's sister, whom I had never seen before, but who's been described to me as a handsome blonde with classic features, fine complexion, perfect figure, beautifully dressed and—"

The Witness: "I don't care to prosecute the gentleman. Anyone might have made the same mistake."

APPROPRIATE

An Oregon town had bought a new fire engine and the superintendent, after gathering all his men together, suggested that an appropriate motto should be placed over the station. The several suggestions were made. Finally one man arose and said: "I move the following motto—'May this fire engine be like the old maids in our village, always ready but never called for.'"

DEPUTY SHERIFFS HURT

ROSEBURG, Ore. — Deputy Sheriffs Powell and Wilcox were badly cut and bruised when the car in which they were riding skidded on the highway south of Winston.

Powell, who was driving, headed his machine into the side of a concrete culvert to keep from going over the grade, and was thrown entirely through the windshield. Wilcox was thrown out of the car and to the pavement. Both were cut by glass and bruised, but were not seriously hurt.

How To End a Cough Quickly

Specialists say to actually end a cough in the shortest possible time the medicine should not only soothe and heal the soreness and irritation, but should also loosen and remove the phlegm and congestion which are the real cause of the coughing. When this is done the worst cough quickly disappears.

This "double-action" method has been brought to perfection in the prescription known as Dr. King's New Discovery for Coughs. A few drops stop the coughing spells almost instantly, and people who have hardly been able to sleep at night for coughing usually get their full night's rest even after the first doses. It has been very successful, too, for children's spasmodic croup, for bronchitis, laryngitis, bronchial asthma and hoarseness. On sale at all good druggists. Ask for

The Show Place of Champions

The Pacific International Livestock Exposition, organized but a scant fourteen years ago, is today the largest general livestock show in America, rivaling the National at Chicago in its horse, beef cattle and swine exhibits and even surpassing in many respects the National Dairy Show.

Here under one great roof covering 10 acres, world's livestock champions and other notable stock come from many distant states to compete for premiums totaling $98,000. This year's show combines:

Gigantic Livestock Exposition
Dairy Products Show
Land Products Show
Northwest Hay and Grain Show
Western Winter Poultry Show
Night Horse Show
Industrial Exhibits
Daily Auction of Dairy and Beef Stock

Over 125,000 people attended last year, availing themselves of the opportunities offered for studying the ways and means of profitable livestock raising in the West. Why not attend yourself this year and then talk over the matter of bettering and increasing your own livestock with us here at the La Grande National Bank? You will never find us lacking in encouragement and assistance.
