

LADY ASTOR UPHOLDS SEX

BRIGHTON (AP)—Lady Astor's confidence in her own sex was voiced again in a speech to delegates attending the annual conference of the National Council of Women of Great Britain and Ireland. She described the younger generation as full of "hope, zeal, confidence and liberal ignorance."

"The only way we can affect youth," Lady Astor said, "is not in what we can do for them, but in what we are. I have unbounded faith in my sex. I truly believe that women, coming into public life in the greatest spiritual step forward that has happened for generations, 'The most selfless services come from women.'"

She asked girls to think for themselves and make up the kind of minds they wanted.

"It is said," she continued, "that our young people are going back on Christianity. I don't agree with that. I believe the young people who are thinking for themselves, may be far nearer the kingdom than the young people who accepted the faith of their forefathers blindly. Blind faith is not Christianity. I do not think, when so many women are thinking that they are going to reject Christianity."

CHANGE TO ZEROLENE WINTER LUBRICANTS

Long starting sessions in the morning with your car are neither safe nor necessary.

You need Zerolene low "cold-test" oils that flow freely in spite of the cold. Since they won't congeal, they don't let cylinder walls or bearings get scored, nor cause crankcase dilution, nor make you over-work your starter and battery.

The Zerolene Correct Lubrication Chart tells you the right oil to use in your car over the winter.

Head for the Zerolene sign at dealers, garages or Standard Oil Service Stations and make the change to winter lubrication today.

INSURANCE CHECK AND STOCK PROMOTION

A widow, a baby and an insurance policy for \$20,000 remained after his accident.

The insurance check came promptly—in the same mail with the stock circular of a promotion company. The stock salesman, who came two days later, seemed a long lost friend to the widow. She had confidence, invested all—lost all.

Why take chances on fake stocks and bonds. \$20,000 will keep the average person for life, if properly taken care of.

Berlin Musical Comedy Charge Is Above Opera

BERLIN (AP)—Musical reviews, comic operas and moving pictures are monopolizing so many of the well-known theaters in Berlin that the legitimate drama finds them very serious competition and many old-time actors who cannot adapt themselves to the musical stage or to moving pictures are out of work.

Expensive and modest companies charge higher prices than the opera houses which are producing musical operas. With a Berlin Theater, the leading musical company near of Germany, opened recently in a new production the best seats sold for \$14 each for the opening performance. In all the leading theaters the best seats regularly bring \$14, and even the cheapest seats in the four houses where grand opera is being produced nightly.
